CORNWALLIS, March 4, 1878,

DR. C. GATES:-Dear Sir .- I was afflicted with the Rheumatism for more than twenty years by turns particularly in the autumn, which would seize me sometime in my shoulders and sometimes in my back but in September of 1876 it took me in my hip which made me very lame. I tried several things for relief but got none until February 1877. I took a severe cold which almost prostrated me, which time you happened at my house and recommended your No 1 Syrup to me. I confess at the time I had not much faith in it but knowing I needed Physic I purchased a bottle and commenced taking it and in one week's time I was cured of my cold and what I least expected my Rheumatism too, so that I have not been troubled with it since I think that if any person has any complaint that can be cured,

they had better try your medicine. Your's, with much gratitude,

W. F. Burgess.
