NEW INVENTION.

ARTISTIC BAY WINDOW

Or Common Windows Changed to Bay Windows. New in Theory, New in Principle, New in Application. The Latest Architectural Idea. Universally Endorsed. Exceedingly Popular, and Selling Rapidly.

THIS great building improvement is becoming very popular wherever introduced. It adds greatly to the comfort and appearance of new buildings and makes old buildings have the appearance of modern ones.

Parties with Means looking for a business that pays largely can purchase 10 to 20 counties and sell out by counties to carpenters and builders or realize a steady income from royalty.

HAVING acquired the sole Patent right (patented in Canada, March 6th, 1882) for all the countries west of Ontario, in the Province of Ontario, I am prepared to dispose of the same to Builders, Carpenters, or parties with moderate capital, who will find large returns by the purchase of the rights for one or more counties.

Communications, enclosing stamped envelope for reply, addressed to FRANK WOOTTEN, P.O. Box 2646, or Imperial Buildings, 30 Adelaide St. East, Toronto, will receive prompt attention.

BEWARE OF IMITATIONS.—Since Dr. Thomas' Electric Oil has become celebrated, a number of unprincipled persons have been endeavouring to palm off Electron and Electric Oil for the genuine Dr. Thomas' Electric Oil. Beware of these similar named articles. If the originators had any faith in the healing properties of their own medicines they would, like honest men, give them a name of their own, and not try to sell them on the reputation of another; but as they know their preparations have no merit, they resort to the most unprincipled means of selling them by getting a name as near as possible to Electric. We therefore ask the public when purchasing to see that the name Dr. Thomas' Electric Oil is on the front of the wrapper, and the signature of Northrop & Lyman, the proprietors for Canada on the back.
