Saving Men From Drink

The REV. H. C. DIXON has accepted the Canadian Agency for an absolute cure for alcoholism, which is not surpassed in the world. It not only relieves, but cures—taken at home—expensive—to-ted for nine years—positively no bad results—correspondence strictly confidential.
Rev. L. S. Coffin, Founder of the Railroad Temperance Movement, writes of it:
"For years I have been investigating and testing a simple and cheap cure for the drink crave. I wanted to know for a dead certainty if it was safe and effective in now removed. I have seen it proved in scores of cases. Not in a single case has it failed to perfectly eradicate all this terrible crave for drink, and in not a case has it led to a bad result."
