## A Physician's Testimony for Labatt's Ale.

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

Used in all the Conservatories and Colleges of importance in Canada.

We have just issued a handsome Booklet, which will interest Piano purchasers. Ask for Booklet No. 56 and one will be mailed free.

## "Adversity is an Educator."

This is very true, but no man who is healthy enough to obtain insurance should leave his family to be educated that way. Considering the benefits secured, the cost of a policy of insurance is small, and you will have no better time to obtain one than now. The premium increases with advancing age, or a short time hence you may be UNINSURABLE altogether.

Drop us a line and we will be pleased to explain the matter fully. The information will cost you nothing, neither will it commit you in any way.
