The Limited Payment Life Policy

ISSUED by The Great-West Life Assurance Company affords a better means of investing small sums than any other safe and legitimate method. The Investment is not tied up, but is largely at the Policyholder's disposal, while at the same time the full protection afforded and the accruing advantage remains his.

The Fifteen Payment Life Policies issued in 1892 and 1893 have recently matured, and from the results under these Policies may be judged the value of the Great-West contracts. The circular "ACTUAL RESULTS" shows the cash value of each Policy at the end of the 15-year period. A copy will be mailed to any interested person on request.

Farm House Plans

If you intend building why not have a house which has beauty as well as convenience? This is the only proper way to do and will save you money with half the trouble you would otherwise have if you did not employ an architect. Consult the best architect when building.
