Lady Marjorie's Love

For a little while a week at any rate | enough; doesn't care a pin about she could not now be forced to leave He can't. Might just as well have She could not now be forced to leave Castle Marling. In ordinary circumstances Marjorie would have rejected at it, would have tried to make the best of it, but she was too utterly cast down and wretched to do anything of the kind now. For one thing, the eagerly-looked-for letter from Mrs. Pagerly-looked-for letter fr sternation took possession of the girl see her storm, that I have. And if when she thought of it. This was bad she bullied him it would only serve when she thought of it. I his was bad enough, but it was rendered worse, much worse, because the only person in all the great house to whom she could have spoken out her trouble was a person in whom, as a matter of whom.

more than barely acknowledge the existence of Gerard Barrington after that preposterous and presumptuous declaration of his. So, when absolutely compelled by circumstances, the borned to him with a feired her. she bowed to him with a frigid hauteur which left the dignity of the Countess nowhere, and, beyond an icy word of greeting when it was quite the trees a little distance away. A break down the barrier. A bow, not quickly haughty like hers, but quite as cold, a word in response to her word, quite brief and far more self-possessed and

and that the sun and sky were as bre gray eyes, the rich color and warm and bright as though it had plenteousness of the chestnut-gold her case the worse. Sunshine did ful enough, but it was not often that not chime in her mood. But in Jack, one saw beauty such this, she thought whimpering at her side one afternoon until he forced her to notice and what her, business was there the hall instead of going out. But fack, not understanding such persistent low spirits and loving his liberative, reaped the usual result of her servance. Manjorie, half langing well into the thicker that bettiered the

graye bow did not raise her spirits, that no retreat was possible. The For, had he not been "so preposterously ridiculous," it was obvious that cried hastily. he need not have passed what at all. She bent her shead infinitestimally and gave, when he was safely by ,a

Memorial at London

Repose of Manner

By RUTH CAMERON

FIVE young girls drifted together at the home of one of their number one

reature with a mop of red gold hair which made up for her lack of beauty;

one was a distinctive girl with beautiful brown eyes and a great deal of style;

and one was just a wholesome, pleasant-faced but thoroughly plain young

And yet an older woman who came in to call on the hostess' mother and

whenever her duties as hostess did not keep her in action; and the little lady with the mop of red-gold hair showed her lack of repose by a continual
