Why Insurance Companies Discrimi nate Against The Gentle Sex.

Medical examiners of insurance

Medical examinars of insurance companies say that the reason a woman pays more for the privilege of insurance than a man, is from the fact that women more readily fall victims to indigestion and stomach troubles and the fatal ailments that spring from these causes.

All persons, they say, who have a weakened digestive system and suffer from sick headache, dizzy spells, distress after eating, specks before the eyes, bloating, nervousness, sleeplessness, and the many other symptoms of indigestion, soon lower the tone of the whole system and are most sus-

the whole system and are most sus-ceptible to a fatal illness.

For curative power in all stomach troubles, nothing else is as, safe yet effective, nothing else can be thor-Mayor W. M. Stone this morning received the signed agreement from the Cornelius Bros., whose by-law to establish a brass works here will shortly be put to the people.

A pretty wedding of local interest is to take place in Toronto to-day, when ex-Ald. George Gordon Martin will be united in wellock to Miss Mary Hutchison, of Montreal.

The groom will meet the bride in the Queen City, where the ceremony will take place, after which they will go on a short tour, arriving in the Maple City by the end of the week. The Planet, along with Mr. Martin's many friends in this city, tenders its most sincere congratulations, and wishes Mr. and Mrs. Martin every happiness.

The Printing committee of the Board of Trade met last night in the Board's chambers in the market front building, to deal with a number of matters before them. Those present were Chairman W. E. Rispin, F. E. Fisher, D. McLachlan, F. H. Brisco, and President Robert Gray.

Several communications were taken up, the most important of which was a letter from a firm in the States. These people wish to supply the Board of Trade with a list of factories desiring new locations. It was decided to enter into correspondence with this firm, and the matter will be finally dealt with at a later meeting.

The question of getting out a pamphlet to advertise Chatham abroad was also discussed, but was laid over for further consideration.
