A LETTER FROM QUEBEC.

(Translated from the French.)

GENTLEMEN, -I have deferred writing the letter to testifyto the benefits erived from the use of your Simson's Liniment. It has done wonders mong all the people who have used it about here.

I can certify, that in every case where I have used it upon myself, I have been cry well satisfied. very well satisfied.

Mr N. Mooney of St. Sylvester, had a bad leg which was said to be incurable.

I told him to use Sims m's Liniment, and it has effected a complete cure in a very short time. His neighbor Mr John Devlin having received a serious cut on his leg, Mr Mooney took him the Liniment, and having used it, found himself completely

Ired.

I have been assured of the cures of these people, and the remedy having become nown, it has created quite a demand, people coming as far as 35 miles to procure to the people of the complete.

Respectfully Yours.
