UNITED FRUIT COMPANIES

Hold Annual Meeting at Kentville— Encouraging and Optimistic Re- ports Given

The twelfth annual meeting of the United Fruit Companies of Nova Scotia, Ltd., was held at Kentville on Tuesday. Three hundred delegates and members were present representing 42 subsidiary companies. That the company has had a very successful year was shown by the reports presented.

"We do not hesitate in expressing our belief that the United Fruit Companies have never been of greater value to their members than in the year just closed," said President F. W. Bishop in his annual address delivered at the morning session. "The prices obtained for both apples and potatoes are the result of careful attention to every detail in their distribution and movement."

"We have every promise now of another good apple crop which to date is one or two weeks earlier than last year, and we are glad to note special efforts being made to keep it clean and well fertilized. The grower of today fully recognizes that only the clean and well matured fruit is profitable so lets nothing interfere with the work of dusting and spraying as a little neglect at the time of fungus development means irreparable loss."

The president made reference with regret to the death of Dr. Balcom, for several years a member of the board of management, and to the resignation of Captain J. W. Salter, manager of the canning, vinegar and evaporating business.

He concluded with a plea for loyalty to the organization.

"Are we satisfied to control less than one-third of the apple crop in our Valley and only about four-fifths of the apples of our company?" he asked. "We can never obtain the best results until the fruit growers are working together. If the fault is with our organization, let us consider how it may be improved. It is easy to offer destructive criticism, and one meets it on the street and at many gatherings of fruit growers; constructive criticism is more difficult to obtain."

Encouraging and optimistic was the annual report of A. E. McMahon, general manager of the company.

"It is too early to accurately estimate prospects of the crop in the countries with whom we are competing," he said. "Regardless of what this may be, we have in this organization a protection which, if used properly should produce the best of results. The past season has been the first to our knowledge in which Nova Scotian fruit in competition with American fruit on the English markets produced more money."

Mr. McMahon made particular reference to the value of the home market, "which," he said, "has been retained from year to year at an exceptionally trifling expenditure." This was considered a very valuable connection as four years out of five more was received from sales on home markets than from the fruit which was exported.

In competition with all other Canadian fruit growers, Mr. McMahon said, the organization had exhibited twice in the Imperial Fruit show, first in London, and then in Manchester. On the first occasion they were awarded one gold medal, one silver medal and one bronze medal. At the second exhibit they were awarded a silver cup, and two gold medals in addition to a cash prize.

"This," he remarked, "should be proof positive of the quality of fruit grown in Nova Scotia as compared with other parts of Canada."

He emphasized the fact that in none of the different departments had money been lost during the year, all showing a fair working profit. "Our financial standing is the best in the history of the organization," he declared.

Other reports given were those of A. P. Rumsey, Apple Packing Inspector, and F. W. Bishop, Halifax Inspector. Mr. Rumsey said that the pack of the United Fruit Co. for the past season was, on the whole, better graded than usual. A majority of the Companies put forth a greater effort. Referring to the No. 3 grade, he said that they should be more carefully and better packed, by nearly all the companies; at present they contain too many culls. In the grading of fruit, a little leeway in size, corresponding to the season's growth, was in the speaker's opinion of little consequence, providing quality is strictly maintained. Mr. Rumsey declared against the rigid press and advocated discarding it, as he was convinced that where used, more apples are injured and more slacks result.

The afternoon session was marked by interesting addresses delivered by Dr. W. H. Brittain, of the Truro Agricultural College, whose subject was "Insect Pests"; and F. G. J. Comeau, General Passenger Agent, Dominion Atlantic Railway.

The railway was working with the one object of giving the best service possible in view, Mr. Comeau said. He considered that the Annapolis Valley was in better condition than any other fruit district in the Dominion. He spoke also of the problems of the railway, chiefly the increase in motor travel. The life of the railway depended upon the Valley, he said. Without it the railway could not operate a month.

The following officers were appointed for the ensuing year:

President—F. W. Bishop, Paradise.
Vice-President—E. H. Johnson, Wolfville.
Secretary—K. L. Pineo, Kentville.
Executive—V. B. Leonard, Clarence; C. E. Ellis, Canard; R. S. Harris, Annapolis.

A. E. McMahon was unanimously appointed General Manager for the 13th consecutive term.

Directors were appointed as follows: Annapolis, S. S. Selfridge; Banner, Max B. Newcombe; Bear River, Joseph L. Langely; Belle Isle, J. H. Willett; Berwick, J. N. Chute; Bridgetown, Wm. Stronach; Canard, R. Schafheitlin; Central, S. B. Marshall; Clare, Louise LeBlanc; Cold Brook, R. S. Newcombe;

Major-Gen. J. H. MacBrien, Ottawa, Chief of Staff of the Canadian Militia, who was at Belleville on the day of the military parade in connection with the United Empire Loyalists celebration. He made the journey by airplane and returned by the air route. The distance from Ottawa to Belleville is 170 miles and the return trip was made in two hours.

MRS. A. N. WHYNOTT

There passed peacefully to her eternal rest at Gaspereau, Kings Co., N. S., Mrs. Alex. N. Whynott, aged 69 years. Deceased was a Baptist, and for many years a consistent Christian. Later in life she became closely associated with the Salvation Army, from which she received much spiritual help, and to those loyal people she gave her influence and Christian cheer. She passed from earth with a firm hope in Jesus her Saviour. Capt. Smith, of Kentville, attended her in her ministrations of love through those days of severe suffering, a period of three months. Her maiden name was Olive Spenser, and she was born in Gaspereau. She married Mr. Whynott over forty years ago. Besides a sorrowing husband she leaves to mourn her departure, Saturday, June 22nd, two sons and four daughters, Harvey, of Montreal; Fred, of Lynn, Mass.; Mrs. Robt. Peck, of Kentville; Mrs. J. A. Tibbets (Nora) at home; Mrs. J. E. D'Arcy, of Woodside, Halifax; Mrs. Ernest Tribble, Renfrew, Ont. Two children predeceased her, one young child, and one young man, 22 years old. Her last request was granted, all her children got home to see her, and to receive comforting words. She called all to her bedside by name, even her little grandson, Robert D'Arcy, and as her husband supported her, assuring her they were all there, the children all in, she passed peacefully to her heavenly rest.

Funeral service was conducted by the Rev. Mr. Roop, basing his address on Ps. 90; and especially on the words, "So teach us to number our days." He gave a very tender, yet thrilling and able address enforcing the necessity of being ready. The choir rendered her favorite hymns, "Some Day the Silver Chord will Break"; "Life's Railway to Heaven"; and "Some Time We'll Understand." Remains were taken by train to Windsor where the Salvation Army took charge with No. 2 Band from Halifax, and marched to the cemetery. Capt. Roling officiated, with the Army burial service. Capt. Smith from Kentville sang a beautiful solo, "I will follow Thee My Saviour." Thus all the family met again after many years of separation at the family lot, so to speak, three to await the great Resurrection; and those remaining to prepare to meet the loved ones gone before. The bereaved family have the sincere sympathy of the whole community. Many beautiful floral offerings were in evidence.

MIDDLETON DEFEATS WOLFVILLE

In Hard Fought Game Which Lasted Ten Innings—Score 3 to 2

In a closely contested game of baseball which took ten innings to decide the winner, Middleton won from Wolfville on the former's grounds on Tuesday. The game was witnessed by a good crowd who found the contest most interesting. The Wolfville boys put up their best game of the season and kept last year's provincial champions on their toes throughout the game.

Wolfville opened the scoring when Kenney circled the bases in the first inning. V. Reagh tied the score in the second. In the fifth Phinney put Middleton in the lead, but Eagles again tied the score in the seventh. The tally remained a tie until the tenth, when V. Reagh scored the winning run. Munro pitched fine ball for nine innings, allowing only five hits and struck out six batters. Howatt pitched for Wolfville in the tenth and allowed two hits and struck out one. V. Reagh pitched for Middleton, allowing five hits and had 14 strikeouts.

The teams were as follows:
Wolfville—Bartaux, s.s.; Dick, c.f.; Kenney, 2b.; Phinney, c.; Eagles, 1b.; Murray, l.f.; Elderkin, r.f.; Munro, p.; Leighton, 3b.; Howatt, p.
Middleton—Boyne, c.; Phinney, 2b.; Goucher, s.s.; J. Reagh, c.f.; V. Reagh, p.; Richardson, 3b.; Fisher, r.f.; Wilson, l.f.; Dodge, 1b.

THE LATE SIR CHAS. TOWNSHEND

A memorial service to the late Sir Chas. Townshend was held in St. John's church last Sunday. Appropriate hymns were sung. The rector in his sermon spoke of the many sterling qualities of the departed. A man of great rectitude and integrity and much moral courage. Sir Charles, he said, consistently upheld and lived up to the best traditions of the British judiciary. He was an exemplary churchman, who made his religion part of the serious business of life.

Rev. Mr. Dixon spoke feelingly of the long personal friendship that had subsisted between the departed and himself, which had lasted for nearly thirty years, and which during the last twenty years had been very intimate. He had known four generations of his family, including his venerable father, Canon Townshend, of Amherst, and his grandchildren all of whom he has christened. His loss to St. John's, of which he was a very regular attendant, will be severely felt.

SHEIK'S SUCCESSOR IS ONE OF FINEST ORIENTAL FILMS

There are several types of stories which lend themselves admirably to motion pictures. One of these deals with the Orient, to witness the excellent William Fox screen version of "The Shadow of the East." E. M. Hull's latest novel, which will be shown for the first time at the Orpheum Wednesday and Thursday.

Filled with color, romance and thrilling incident, "The Shadow of the East" casts the spell of the Orient over the audience at the very outset and holds it entranced through its entirety. It concerns the East in all its most interesting phases, having to do with an adventurous English Earl, Barry Craven, who yields to the power of the Orient, and like many others forms a marital alliance with a native girl which nearly wrecks his life and that of another woman whom he really loves.

Frank Mayo as Barry Craven gives an excellent performance. He is the reckless, indifferent Englishman who might find in the very situation, Lolai, his Indian bride, played effectively by Evelyn Brent, commits suicide when she suspects that his love is waning. Her act reaches his conscience and casts over him the shadow of the East. It is not until this is lifted that Craven, though he married Gillian Locke, played by Mildred Harris, really accepts her as his wife.

Miss Harris, beautiful and convincing, plays a role interspersed with real dramatic moments, in a manner that reflects much credit upon her. Norman Kerry, as Said, the sheik, gives his characteristic excellent performance. The picture directed by George Archibald, is without a doubt one of the finest dealing with the mysterious Orient that has ever been screened.

Announcement has been made by the M. P. B. A. A. U. C. that Billy Richardson, pitcher of the Middleton baseball team, is not eligible to play in league games owing to violation of the residence clause. We presume, therefore, that all Valley League games in which Richardson has taken part will have to be replayed.

WOLFVILLE FRUIT COMPANY

Holds Annual Meeting—Average of \$2.32 per Barrel Received

The Wolfville Fruit Co. Ltd. held their annual meeting in the town hall on Thursday evening, June 19th. Their years work showed they had handled 35,650 barrels of apples, for which they received on an average \$2.32 per barrel. By unanimous vote they adopted the new proposal whereby they will get their own returns for their 1924 fruit. This should give the shareholder more interest in his own fruit when he knows that if he takes extra care in growing and handling he gets the full benefit. He also knows that if he does not take proper care of his fruit the price will not be bolstered up by the good care taken by the members of the other Fruit companies. To grow and pack better fruit is their slogan.

Their store operating etc.

Their store operating showed a profit of \$67.97 after providing for the dividend on paid up stock. While not a large profit on the turnover the members were well satisfied with the year's business.

The old board of directors were re-elected, viz. C. S. Fitch, W. J. Duncanson, F. B. Westcott, W. S. Eagles, H. D. Johnson, F. L. Gertridge and H. A. Peck.

CLOSING OF NORMAL SCHOOL

Large Number from This Section Receive Diplomas

The closing exercises of the Provincial Normal College at Truro were held last Thursday morning. Dr. David Sloan, principal of the College, presided, and addresses were delivered by Dr. A. H. MacKay, superintendent of education; Dr. George J. Truman, president of Mount Allison University; and Dr. Melville Cumming, principal of the Nova Scotia College of Agriculture. The musical selections were a chorus of the Normal College, and a solo by Miss Amy Prescott, of Wolfville.

Among those who received diplomas of Superior First Rank were: Helen E. Archibald, B.A.; Amy K. Prescott, B.Sc.; Ella I. Warren, B.A.; Edgar L. DeWolfe, B.A.; Mansel L. McLean, B.A.; all of Wolfville. Allan T. Smith, B.A., of Wolfville; and Fay Perry, B.A., of Hantsport, will be awarded Superior First Rank diplomas on filling certain conditions, meanwhile holding First Rank.

First Rank Diplomas were presented to Berton E. Robinson, Wolfville; Marion E. Bishop, Greenwood; Lillian R. Brechin, Port Williams; Myrtle A. Meek and Vivian I. Melvin, Canning. Frances A. Burns, Canning, and Freda M. Townshend, Grand Pre, secured Second Rank Diplomas.

VALLEY TENNIS LEAGUE

The annual meeting of the Valley Tennis League was held at Wolfville on Wednesday last week, representatives being in attendance from Windsor, Wolfville and Kentville. The officers were re-elected as follows:

President—Professor A. B. Balcom, Wolfville.
Vice-President—F. Molsom, Kentville.
Secretary—C. H. Brown, Windsor.

A general discussion of an enthusiastic character was enjoyed, and a schedule drawn up as given below:

June 28—Kentville vs. Windsor.
July 5—Wolfville vs. Windsor.
July 12—Windsor vs. Kentville.
July 19—Kentville vs. Wolfville.
July 26—Windsor vs. Wolfville.
Aug. 2—Wolfville vs. Kentville.

TOURIST TRADE STARTS WITH A RUSH

Eastern Steamship Lines Put on Additional Boats

To accommodate the enormous tide of travel expected from the United States this summer the Eastern Steamship Lines will start two additional weekly sailings on July 2nd and 9th. "Prince Arthur" will be placed in commission on the Boston, St. John Route, sailing from Boston Wednesdays and Sundays at 12 o'clock noon (daylight saving time) due in St. John about eight o'clock next morning. Returning will leave St. John Fridays and Mondays at 7 P. M. These sailings will be direct from Boston to St. John and return, not stopping at Eastport or Lubec, which additional service will be much appreciated by the throngs of tourists who wish to go to the Maritime Provinces during the summer season.

GOODWIN-SMALLMAN

A very pretty wedding took place Tuesday night in the Baptist church, when Evelyn Enid, daughter of Mrs. Lillian J. Smallman of this town, became the bride of Ross Cameron Goodwin, of Moncton, son of Mrs. Miriam Goodwin, of Dartmouth. Dr. A. N. Marshall, of Wolfville, performed the ceremony. The church was prettily decorated with daisies and ferns, there being a large arch at the front of the church, under which the ceremony was performed, and smaller arches in the aisles. These were beautifully decorated and garlands of daisies were hung between them.

To the strains of the wedding march, played by B. C. Silver, the bride entered the church on the arm of her brother, Dr. Ralph B. Smallman. She was tastefully gowned in ivory brocade, draped over satin and train with the conventional veil and orange blossoms, and carried a shower bouquet of Ophelia roses. The bride was attended by Miss Betty Goodwin, youngest sister of the groom, wearing a frock of yellow Charmeuse and hat with streamers to match, and carrying pink carnations. Little Miss Geraldine Clark, wearing peach taffeta and carrying a basket of sweet peas, made a winsome flower-girl. The groom was supported by Ray Goodwin, of Dartmouth.

During the signing of the register Miss Evelyn Duncanson sang "O Promise Me." The ushers were George Waterbury and William Smallman.

After the ceremony a reception was held at the bride's home on Main street at which over a hundred guests were present. Among those from out of town were: Mrs. Miriam Goodwin, of Dartmouth; Dr. and Mrs. Ralph B. Smallman, of Buffalo; Mr. and Mrs. J. Edgar Smallman, of Dartmouth; and Miss Leah Whidden, of Antigonish.

The bride was the recipient of many beautiful and costly gifts. After a short honeymoon in the Annapolis Valley and other points in Nova Scotia, the happy couple will reside in Moncton, where the groom is engaged in business.

THE IMPERIAL CONSULATE-GENERAL OF JAPAN REVIEWS

On her return from a very successful lecture trip to Canada, recently, Miss Rosemund Archibald found awaiting her a letter from the Consul-General of Japan who graciously referred to meeting her at the Government House Skating Party at Ottawa in January and his promise to review her King's English Drill. He ends a most delightful endorsement with the words: "I have since tried the system set forth in your Drill and I believe that it will be very efficacious in the purpose for which I understand you intend it, namely, the memorizing of proper English forms by pupils attending schools."

"Thanking you most sincerely for your kindness and for the copy of your Drill which I shall retain among my most-used textbooks, with kind personal regards, I am,

"Sincerely yours,
"N. Matsunaga,
"Consul General of Japan."

CARD OF THANKS

Mr. Alex. Whynott, Gaspereau, and family wish to thank all the friends for their kind sympathy and help, and hereby extend their gratitude for all kindness and respect shown to them in their sad bereavement.

DR. CUTTEN'S CASE

His Attorney Secures Transfer to Grand Jury for Fair Trial

UTICA, N. Y., June 23.—As sequel to the recent arrest of Dr. George B. Cutten, President of Colgate University, for speeding in Utic, his attorney today secured an order from Supreme Court Justice Louis M. Martin transferring the case from the city court to the Grand Jury.

It was asserted that Dr. Cutten could not get a fair trial before a police magistrate. At the time of his arrest Dr. Cutten said he was hurrying to enable his companion, Raymond B. Fosdick, to catch a train. Dr. Cutten was formerly President of Acadia University and attended the closing exercises there this month.

CORRESPONDENCE

LAW AND ORDER

To the Editor of THE ACADIAN
Dear Mr. Editor,—Warm weather, we are led to believe, is conducive to grumps. However, this particular grump seems to be the annoyance of many people, and a liberal airing through your columns might at least reduce some of the ugliest angles.

I refer to a motor car, propelled thru our streets at any hour when the stars are on duty, with the cut out open, such noise being the proper solace to our tired souls. And why shouldn't we be tired?

This habit of mixing gasoline and "booze" seems to be the coming sport if we may be permitted to use street vernacular. Of course none of our worthy town people indulge in such antics. The outrunning motor cars surging thru our town at night with their accompaniments of shrieks and profuse profanity certainly could not be credited to our "law abiding" citizens. I said "law abiding!"

Re this motor car whose peevish state of well being demands that its cut out be open every night; I have heard of cities (and some day perhaps we shall assume those proportions) where a cut out used on a car driven within city limits is a fineable offence. Of course this is in a city where laws are made and enforced. May I be permitted to use the word "enforced" once again to just remind ourselves that such things "are done?"

We are rambling, but let us return to our subject with a query. Where is the source and supply of the liquid so plentifully profuse? According to "statistics" our recent Montreal detective could find no "source or supply". Of course we don't for a minute question the accuracy of his statement, and of our Mayor and Councilors, not we. But we really do not think the shirtown is responsible for all of this, and its appalling effects.

To wit—a party of "fishermen" returning on a holiday night to town, demanding "that a fire be made and our fish be cooked and then we'll eat them raw" some day, some one of us may have sufficient courage to stand upon our feet when sufficient evidence has been collected (such as would keep a detective busy for several weeks) and enough sane people be found to demand that the evidence be published.

The recent law adopted in Quebec whereby the drunken driver of a car loses his license for all time seems to be the most effective step yet taken. If this were adopted in Wolfville there would be less motor cars menacing the wayfarer and our sleep less disturbed. "Figs might fly" Mr. Editor, but they are unlikely birds.

Years for
"LAW AND ORDER"

A STREET SUGGESTION

To the Editor of THE ACADIAN
Dear Editor,—It is the plain duty of our municipal rulers to provide more convenient means of communication between Summer and Main streets than now exists. For those who reside in this vicinity and do business in the eastern part of the town a street running diagonally from Linden avenue to the junction of Gaspereau avenue and Main street would prove a real convenience. Summer street residents who have to make daily pilgrimages to the post-office should also be given some consideration. To these the fence erected some years ago on the line of the government property proves a decided nuisance. At present some of the property owners on the south side of Summer street are making most unreasonable objections to the use of their lawns and gardens by busy people who have not time to proceed by prescribed thoroughfares. While our town fathers are considering the matter of additional streets it is to be hoped that the interests of this section may not be overlooked.

REFORMER

POIGNANT PARAGRAPHS

It is noticed that since the sidewalks in the residential section have been "fixed" that pedestrians display a decided preference for the roadway.

It seems scarcely necessary to announce that the new fire engine should be given the right-of-way over other traffic on our streets. Judging from recent exhibitions it would be a very rash sharer of the road who would be disposed to argue the point.

A more generous application of the town sprinkler would be greatly appreciated by townpeople. On Monday evening Main street was a veritable cloud of dust and the appearance of the water-wagon would have been a great comfort. No shortage in the water supply has been reported, but the economy displayed by those who dispense it is exceedingly noticeable.

It is said that the way leading to a certain locality which no person desires to reach is paved with good intentions, and it is probably true that the intentions of those who devised the so-called pond at the junction of Main street and Orchard avenue were equally good. However its condition has now become such as to demand close attention. An application of crude oil is suggested.

While other towns are reveling in outdoor concerts the Wolfville band has not yet been heard from. This may be due in a measure to the fact that the town provides no financial assistance. Everybody recognizes the advantage of having such an attraction as weekly concerts of this kind, which might easily be provided if given the necessary help. We have a competent band well provided with instruments, and which deserves more encouragement at the hands of the authorities than it receives.
