**JOHN WORK,**  
167 King st. east.

**SAYS SIR HIBBERT LIED.**

Sharp Denial of a Slanderous State- ment Made by Him.

Ottawa, Ont., June 26.—When the House met this morning Mr. Flinn asked that all rules and orders be suspended to permit him to intro- duce a bill to allow the Dominion & Atlantic Railway to buy out the vessels, rights and franchises of the Yarmouth Steamship Co., which runs between Yarmouth and Boston. A rivalry sprang up between those business institutions, and the result now is that the Steamship Com- pany is willing to sell out to the Railway Company for \$350,000.

Mr. Flinn was allowed to intro- duce the bill, which was read first and second time and referred to the Banking and Commerce Com- mittee.

Mr. Maxwell, Burrard, said that a member of the Opposition had made certain reckless charges against a citizen of Vancouver. He would have brought the matter up, but he expected that Sir Hibbert Tupper would have taken steps to have proven his statements.

Mr. Foster wanted to know if a member of the House could charge other members very much, but he said on a telegram from an outside party.

Mr. Speaker said that the state- ment reckless was not Parliamentary and should be withdrawn.

Mr. Fielding was not going to say whether it was right or wrong to read this telegram, but he did not think that the member for York (Mr. Foster) was the proper party to criticize it since he, the other day, read a telegram charging the Soli- citor-General with making a false statement.

Mr. Maxwell then read the following telegram:

Vancouver, B. C., June 13th, George R. Maxwell, M. P., Ottawa: Re- construction Yukon telegram, press despatch says that my son, Percy Charleson, receives five per cent. on all goods brought here; sorry Sir Hibbert made such a charge. I re- spect his father very much, but my son is in a more lucrative busi- ness than politics. (Signed) J. B. Charleson.

Donald B. Charleson, a brother of J. B. Charleson, adds to the telegram as follows: Brokers here are Crick- man Gros, strict Conservatives. (Signed) Donald B. Charleson.

The House then went into Commit- tee of Supply on the estimates, tak- ing up the item of \$425,000, for an- nual drill, etc.

Mr. Foster, while admitting that there was some use in this expenditure, did not believe that it was worth so large an amount.

Dr. Borden could understand it, if Mr. Foster said that the time of drill was too short, but to do away with the annual camps was to abolish the militia. It cost Canada now only eight cents per head, and no country paid less than that.

Dr. Sproule deprecated a military spirit such as prevailed in European countries.

Mr. Ellis said that the South Af- rican war did not do so much as was said to discredit the British system. The Boers were good on defence, but not on attack, for attack organization was necessary. He suggested that the Government should do away with money prizes at the annual rifle matches and give the medals instead. For himself he was going to vote this time for the annual drill.

## RELIEF FORCES REACH TIEN TSIN.

Admiral Seymour Surrounded by Boxers and Chinese Soldiers.

## TROOPS GO TO HIS ASSISTANCE.

Shanghai Despatches Tell of Gruesome Sights in Tien Tsin—Streets Strewn With Bodies of the Victims of the Mob—Will Li Hung Chang Go to Peking?—Refugees Arriving at Chee Foo—U. S. to Send Brooklyn and Marines—Russians Ambuscaded—German Gunboat Sweeping River Banks.

London, June 26.—The exclusive des- patch to the Associated Press from Chee Foo, giving Rear Admiral Kempf's authoritative announcement of the relief of Tien Tsin, on June 23rd, re- mained for hours the sole news of this occurrence of world-wide importance. At about 1 o'clock the Hong Kong and Shanghai Bank's London branch re- ceived confirmation of the news, and about the same time, Mr. Dawson, a delegate from Singapore to the Con- gress of the Association of Chambers of Commerce of the United Kingdom, now in session here, informed his fel- low delegates, amid loud cheers, that he had just received a despatch from his son announcing the relief of Tien Tsin.

To Relieve Seymour.  
The news reached Berlin later from the German Consul at Chee Foo, who announced that the relief column en- tered Tien Tsin during the afternoon of June 23rd, and started again June 24th, to rescue Vice-Admiral Sey-mour, who, with the foreign Ministers, was said to be occupying a position 12½ miles from Tien Tsin, surrounded and pressed by a great force of Box-ers and Chinese regulars. Possibly the Japanese report that Seymour was a prisoner and that the Minis- ters had left Peking guarded by Chi- nese soldiers is merely a distorted ver- sion of the Berlin story. But on any account definite news may be expect- ed speedily, and it is confidently be- lieved here that Seymour and his com- panions will be safely delivered from their plight.

Shanghai Stories of Horror.  
According to the report of a Chi- nese refugee, who has arrived at Shanghai, the condition of Tien Tsin was horrible. Everywhere in the streets were the bodies of massacred men, and women, Americans as well as other nationalities. The Hong Kong and German banks, he added, were both destroyed early during the bombardment. Shanghai also reports that the American-Russian relief corps was so badly ambuscaded that the forces were obliged to abandon sev- eral field guns and much ammunition. About 150 Russians and eleven Am- ericans were killed. The German torpedo boat destroyer and a Russian torpedo boat destroyer are patrol- ling the Pei Ho River, and raking with machine guns the native vil- lages, on the river banks, which are filled with concealed "snipers." A despatch to the Associated Press from Canton says that city remains quiet, but the female missionaries from the outlying districts are coming in, owing to the warnings of native Christians. The missionary hospitals are being deserted by the students and servants.

Li Hung Chang's Movements.  
Although it is officially said at Can- ton that Li Hung Chang will not go to Peking, he continues his preparations for departure. A telegram from the Governor of Kiao Chou, dated June 25th, which has reached Berlin, an- nounces that according to reports from Chinese sources Vice-Admiral Seymour's force has reached Peking. This is probably merely a reiteration of the previous reports on the same subject.

The Brooklyn to Go Too.  
Washington, June 26.—The Navy Department announces that the armored cruiser Brooklyn, with Admiral Remy aboard, will take 300 marines from Manila to Taku, stopping at Nagasaki en route. The shipboat Princeton has been ordered to Sasebo, America and Foo Chow, thence to Shanghai to in- stall an electric plant, keeping ever ready for immediate active service.

Arrivals at Chee Foo.  
New York, June 26.—A despatch from Chee Foo, June 25th, says: The arrivals to-day included 148 persons in all, including servants and at- tachés of legations. The list of mis- sionaries is as follows: From Peking—Reid, Davis, Hobart, Walter, Ver- itz, Gamewell, Lowery, Ament, Ev- ings, Wewell, Gillman, Gloss, Martin. These are of the American Board

and Presbyterian ladies' missions. From Tien Tsin—Pryke, Hayner, Pat- terson, Lowery, Roberts, Wilson, Bond, Stevenson, Glover, Croucher, Sherkey, Gailey. One hundred and forty-eight arrived in good condition. For Pao Ting Fu there is very little hope.

Off to China.  
Chicago, Ill., June 26.—The fourth battalion of United States Marines, Major W. P. Biddle, in command, passed through Chicago last night on a rush assignment to duty in the Or- ent. Major Biddle said he expected orders in Japan that would throw him and his men into the fighting in China. There are 238 men in the battalion.

Admiral Kempf's Message.  
Washington, June 26.—The Navy Department has received the follow- ing cablegram from Admiral Kempf: "Taku, June 25.—Secretary of the Navy, Washington. Relief force reached Tien Tsin 23rd; loss very small. Pekin relief force, which left Tien Tsin June 10th, reported ten miles from Tien Tsin, surrounded; force left Tien Tsin 24th to render assistance. (Sign- ed) Kempf."

More Confirmation.  
Washington, June 26.—The Sec- retary of State has received a despatch from United States Consul John

J. S. ADMIRAL REMY.  
He has been ordered to Taku with his flagship, the Brooklyn. He has also been ordered to take with him such troops as Gen. MacArthur can spare at once.

Fowler at Chefoo, saying: "Confined forces entered Tien Tsin 23rd. (Sign- ed) Fowler."

Want Troops Kept Out.

Washington, June 26.—The six great viceroys of China, acting through the Chinese Minister here to-day renewed their efforts to have foreign troops kept out of China un- til Li Hung Chang shall reach Pekin. The request was a formal docu- ment, signed by the six viceroys, in- cluding Li Hung Chang. The answer of the United States Government was the same as that to the informal re- quest of Minister Wu yesterday, and amounted to a declination.

France Hears Good News.

Paris, June 26.—M. Delcasse, the Minister of Foreign Affairs, informed a Cabinet Council to-day that the French Consul at Shanghai had tele- graphed under date of June 24th that all was quiet in the southern Provinces, in the Yang Tse Kiang Valley and in Szechuen Province. The Minister added that no news had been received from Peking and that 11 Chinese warships were lying off Shanghai.

Bribery Fine Reduced.

Toronto, June 26.—Mr. Justice Os- ler this morning gave judgment in the application of Thomas E. Baker, Cedarville, South Ontario, for the re- mission of a fine of \$800, imposed on him for bribery in the Calder elec- tion. The judge decided to reduce the penalty to \$300, but Baker must pay that or go to jail.

REV. H. V. NORMAN AND REV. C. ROBERTSON.  
English Missionaries murdered by the Boxers in China.

## THINK WAR IS OVER.

But Boers Seem to Show Signs of Hostility.

London, June 26.—As Lord Roberts is apparently carrying out import- ant combined operations, the slack- ness of news from South Africa will probably continue until they shall have been completed. The fact that the foreign military attaches are homeward bound indicates that in their opinion the war is over. But the reported refusal of Lord Rob- erts to spare troops for service in China, seems, if true, to show the field marshal considers much work re- mains to be done.

Large quantities of bar gold re- ceived by merchants in the western part of the Transvaal, from Presi- dent Kruger, ostensibly in payment of requisitioned goods, have been seized by the British. If the genuineness of the accounts can be proved, the gold will probably be re-paid.

The Boers sharply attacked Gen. Rundle's transport near Senecal, June 23rd, but were repulsed. The official report of the capture of a convoy of 50 wagons escorted by Highlanders between Renoster and Heilbron, June 4th, was only re- ceived to-day. Lord Roberts reports that the convoy was surrounded and sent messengers to the nearest posts for assistance. But re-inforcements were unable to reach the convoy, and 150 Highlanders, in reply to a flag of truce from Gen. Christian DeWet, surrendered during the morning of June 4th.

## HIS HORRIBLE SUICIDE.

Took Poison, Cut His Throat and Stabbed Himself.

HIS NAME WAS WM. ARMSTRONG

There was a most determined and shocking suicide on the premises of Mrs. D. Robinson, No. 413 Hughson street north, shortly after noon to- day. Her nephew, Wm. Armstrong, a single man about 30 years of age, took a dose of poison, he stabbed him- self with a knife in the leg and breast, and cut his throat. Armstrong wound- ed himself in the yard in the rear of the house, and was seen by a neighbor, who ran to Harrison's drug store and telephoned for physicians and the am- bulance. The young man kept his feet for some time after committing the terrible deed. Dr. Bingham and Dr. Wardell were the first doctors to ar- rive, but they could do little for him. He was placed in the ambulance and removed to the City Hospital by Con- stables Lowrie and Venard. He passed away at the door of this institution. The wonder was that he lived as long as he did, as either of the wounds was sufficient to cause death, without the poison. The hole in his breast, near his heart, was a horrible one, and the officers in the ambulance could hear the pounding of his heart. Just before he died he said he took bedbug poison a short time before he cut his throat. He said he was tired of life.

Armstrong's home is in the North- west, and he has been boarding with his aunt, who is terribly shocked, for a few months. He had been employed in the Hamilton bridge and tool works up to Friday. He had been very de- pressed, and melancholy for some time, but his friends never suspected he would commit such a rash act.

Coroner Griffin was notified, but up to press time he had not con- sulted with the Crown Attorney re- garding the question of inquest.

## MILLIONS TO AID STARVING

Lady Cruzon on the Condition of India Famine Sufferers

WHAT GOVERNMENT HAS DONE.

Chicago, Ill., June 26.—Lady Cruz- on, vicereine of India, writing to S. D. Eldridge, of the Chicago India Famine Relief Committee, says: "The famine is greater in its intensity over the areas affected than at any previously recorded visitation. Fewer persons will die, yet incomparably more persons are suffering. The ab- solute failure of the two last autumn and spring harvests, and the unprece- dented loss of cattle in western and central India makes the task of recu- peration more arduous than on any previous occasion."

The Government has reduced the rate of mortality, and even in the worst districts the figures show only a slight excess over the normal rate. Mrs. Government has spent \$250,000, 000 upon direct relief, \$10,000,000 upon suspensions and remissions of land revenue, \$6,000,000 upon advances for the purchase of seed and cattle, and \$1,000,000 upon loans to the dis- tressed States. The Relief Committee has distributed \$2,000,000 through various channels."

A WOMAN'S LOVE.

She Saved a Child, But Was Her- self Fatally Burned.

New Hamburg, Ont., June 25.—Mrs. Freeman, mother-in-law of O. Voegtle, baker, was alone in the house with an infant last night, Mr. and Mrs. Voegtle and the remainder of the family being out attending a garden party, when a coal oil lamp exploded, igniting her dress.

Neighbors soon subdued the flames and medical aid was promptly sum- moned, but though the unfortunate woman received every attention, she died this morning.

Mrs. Cromar Gets an Injunction.  
Toronto, June 26.—The sensational insurance case in which Mrs. Alex. Cromar, of this city, widow of an in- surance agent who died recently, sues Rev. Father Brophy, of Holloway, for \$82,000 of insurance held in his name, on Cromar's life, will not be heard till the fall. This morning Mr. Justice Fal- conbridge granted an injunction, to which Father Brophy made no ob- jection, preventing the insurance com- panies interested from paying over the money till the trial of Mrs. Cromar's action.

English Curve Cut Tobacco.

Old English curve cut pipe tobacco has the natural tobacco flavor that only pure, unadulterated tobacco can have. It smokes cool and sweet, and costs 15 cents a tin at peace's cigar store, 107 King street east.

## DEATH OF AIDE TO RAGLAN.

Unfortunate Bridal Couple at Last at Liberty.

## VICTIMS OF A SMUGGLER.

Accident at Paris Exposition by Which a Girl is Drowned—Boer Envoys Issue an Address—Dr. Jameson Elected to Cape Parli- ment.

New York, June 26.—A despatch to the Times from Paris says: A fatal accident has occurred at the expo- sition, in the show known as "Old Paris." This structure is built over the river, and as a university profes- sor, his wife and daughter were bend- ing over one of the top stories the bal- ustrade gave way and all three were precipitated into the river. The pro- fessor and his wife were fished out alive, but the girl was dead. It was worth noting that not a single Paris paper mentions the affair, because the show is a heavy advertiser.

A Desperado Killed.

Rome, June 26.—Floravanti, a no- torious robber, who has for twenty years been the terror of the country where he has operated, was killed yester- day by a peasant in the forest near Grosseto.

Jameson Honored.

Kimberley, June 26.—Dr. Jameson has been elected a member of the Cape Parliament. There was no opposition.

Admiral Maxse Dead.

London, June 26.—Admiral Fred- erick A. Maxse, who was naval aide- de-camp to Lord Raglan, command- er-in-chief of the forces during the siege of Sebastopol, and who was known as a politician and writer, is dead. He was born in 1833.

Bridal Couple Released.

Lockport, N. Y., June 26.—Mr. and Mrs. Flinn, the bride and groom held for alleged complicity in the La- ssez smuggling case, were released from jail last night on cash bail for \$3,000 each. They passed the night at the home of their attorney, Mr. C. E. Dunkelberger, and left to- day for Montreal.

A Boer Address.

New York, June 26.—The Boer en- voys, who have been in this country for the last two months, to-day is- sued an address to the people of the United States. After expressing re- gret at their inability to accept many of the invitations extended to them, they expressed their thanks to the American public for "The deep sympathy they have shown for the cause of two struggling repub- lics."

The address goes on at great length into the history of the re- lations between Great Britain and the Boers, and is, of course, a very prejudiced document.

## BEFORE JUDGE SNIDER.

Judgment Against the City—Two Criminal Cases.

At the County Court yesterday afternoon, before Judge Snider, the case of Shattock vs. Scott, adjourn- ed for a week, was concluded and judgment was reserved.

The greater part of this morning's session was taken up with the trial of Kennedy vs. the city. This is an action in which Martin Kennedy sued for \$200 damages for injuries sustained by his little son through a fall on an icy sidewalk on Wood street. The accident was alleged to be due to the discharging of a wa- ter pipe on the sidewalk. Mr. J. O'Reilly appeared for the plaintiff and F. MacKellan, Q. C., for the defendant.

Judgment was given for the plain- tiff for \$100 and costs.

The Judge held that the accident was caused
