WINGHAM.

An attempt was made Friday night to rob U. Tait Scott's bank in Wingham. The burglars entered the freet door, which was locked with two locks, one being a Yale combination lock. The outside door of the safe had an ordinary Yale lock, which required a flat key to adjust it. The burglars put in a flat piece of iron in the keyhole, and by some means it books off, when they were balked in their further efforts to open the safe.
