The apparatus was discovered by a milkbey, who notified Mr. Esson, and the arrangement was removed just as the hammer was about to drop on the cartridge. Mr. Esson, so we are told, knows no reason for this dastardly attempt to injure him. Certain persons in the village have been heard to make threats of personal injury against Mr. Esson, but he had no idea that a political opponent, or anyone, would stoop to the perfermance of an act of this kind.
