PROFIT-TAKING!

We persistently suggested the purchase of Aitchison Railway at \$85 and Union Pacific at \$104. The former is now \$99 and the latter \$130. We urged clients to buy American Woolen at \$60, now selling at \$81, and Studebaker all the way from \$45 to \$65, now selling at \$90 and very likely to sell soon at \$100. Both Middle States Oil and Boston-Montana Copper are now very low and we suggest buying for the inevitable price advance.

AFTER A FIRE

The first question asked, HOW MUCH INSURANCE? NONE. Poor beggar, ruined for life. You have heard it. It is no use looking for sympathy for it is only found in the Dictionary. Are you content to take the risk of losing your life's savings for the sake of a small sum of money payable yearly? Average one dollar a month for \$1,000.00. Is it worth it? We represent THE CONTINENTAL INSURANCE CO. of New York. Assets \$40,857,877.57. A particularly strong Fire Company. Other companies talk Service—we GIVE Service.
