TRADES AND LABOR COUNCIL ON OCT. 26 氧

Several Questions on Late Session of Parliament He Would Explain

R. B. Bennett some time ago sug-gested to the Calgary Trades and Labor Congress that he would like to address them and explain his stand on several questions during the late session of parliament. The council last night decided to ask him to appear before them at their next regular meeting on October 18

before them at their next regular meeting on October 26.

They also decided to protest to Attorney-General Cross that the factory act is not being enforced. There was another act passed by the provincial legislature to provide for protection of electrical workers. Provision was made for an inspector. But this act has not been enforced either and the Trades and Labor Council will enter a second protest on this account.

second protest on this account. A special commretee was appointed to go into the whole question of civic taxation. A special meeting of the council will be held on Thursday, Oct. 18, at which the committee will report and possibly some suggestions will be prepared for presentation to the civic mittee on Monday, Oct. 22.

BRITISH ADVANCE CHECKED BY HEAVY RAINS

(Continued from page one)

PROGRESS ALONG WHOLE FRONT London, Oct. 12.—Progress was made along the entire front in Flanders, where Field Marshal Haig began another offensive Friday morning. Rain intervened, however, and it was decided not to make further efforts to reach the final objectives which it had been planned to take. These statements are contained in the communication issued tonight. the communication issued tonight. The communication adds that the pris-oners taken during the day approxi-

The text of the communication follows: "Notwithstanding the heavy rain which fell during the night, our troops succeeded in forming up for an attack, which was launched at 5.25 o'clock this morning. Progress was made along the entire fron, which extended from the Ypres-Roulers railway, on the south, to our junction with the French on the southern edge of the Houtholst forest.

"On the whole of this front a large

number of defended localities, woods and concreted strong positions were captured by us, together with a number of pris-

south of that village. "A heavy rain again set in during the morning after a brief interval of fine weather, and has continued with increasing violence throughout the day and impeded our progress. It was, in consequence, decided not to make any further ing violence throughout the day and impeded our progress. It was, in consequence, decided not to make any further effort to reach our final objectives. "The number of prisoners taken by us during the day is approximately 500."

MADE SOME GAINS London, Oct. 12.-A Reuter dispatch from headquarters reports progress in the Poelcapelle and Passchendaele regions of the Flanders front. The dispatch fol-

"The rain is reported to have brought operations temporarily to a standstill, but we have gained possession of the brewery Poelcapelle, which has been the noon today our troops were said to have occupied the crest of a farm on the left of the Passchendaele road and to be within about 500 yards of the Passchendaele

THE WORK OF AVIATORS London, Oct. 12 .- The official communication dealing with aviation, issued this

evening says: "On Thursday every opportunity was taken by our airplanes to reconnoiter enemy positions and carry on artillery and photographic work during the interval of clear weather.

clear weather.

"A large number of bombs were dropped by our machines on hostile billets and machine gun fire was operated from low altitudes upon German Infantry in their trenches. One hostile machine was brought down yesterday in combat and another was shot down by our infantry.

"Two other enemy machines were driven down out of control.

"Five of our airplanes are missing."

STILL IN FULL SWING Berlin, Oct. 12, via London.—The sup-plementary report, issued this evening from general headquarters, follows: "On the Langemarck-Zonnebeke front in Flanders the battle is still in full swing. To the north of Poelcapelle and to the southwest of Passchendaele the fighting still goes on at some places where the English penetrated our lines."

English penetrated our lines."

BAD WEATHER EVERYWHERE

Paris, Oct. 12.—The report from the Italian war department follows:

"There was bad weather today on the whole front. We damaged enemy saps in the Travignilo valley with a well-timed explosion. There was somewhat intense activity of the artillery on the Lagarine valley and north of Tolmino, where moving columns of motor lorries were dispersed."

CAPTURED NEW TRENCHES Petrograd, Oct. 12.—By a counter-attack resterday Russian troops captured the renches lost south of the Pskoff, the war office announced today. North of the road Russian advanced posts were drawn in where they were exposed to a violent artillery fire by the Germans. The statement regarding these operations reads: "Northern front: We counter-attacked and captured, after sharp fighting, the trenches we lost on Wednesday. The po-sition was restored. In the Skull sector, north of the Pskoff highroad, the enemy's

violent artillery fire forced our advanced posts to retire.

"Western and southwestern fronts: There were fusillades.

"Rumanian front: On Tuesday the enemy, after artillery fire, attacked in the Buczacz region and took several trenches,

which were restored by counter-attacks. The enemy yesterday several times bombarded Galatz.
"Caucasus front: In the Revanduz region we occupied a height 50 miles south of Urmia, driving out the Turks.
"Aviation: In the Zbrocz sector two enemy airplanes attacked a Russian cap tive balloon, which began to descend. The observer was mortally injured because of his parachute failing to open. The balloon was undamaged."

BIG BALLOON RACE

Muskogee, Okla., Oct. 12.—Bernard von Hoffman, in the balloon St. Louis, with his brother Albert, 14 years old, as aid, yesterday was declared winner of the ninth international balloon race by officials of the Oklahoma Fair association, under whose auspices the race was held. The von Hoffman brothers landed yesterday at Ripley, Miss., 400 miles from here. This morning four other balloons which went up had been accounted for.
