Necessity for Safeguarding Beaches Being Strongly Urged.

It has been established beyond any doubt that when the late Irving Penny and the late Floyd McPhail went out on the lake in a canoe one week ago Sunday the lake was calm enough to insure

At the inquest which was held last week, Dr. W. S. Westland testified that at the time when the young men went out on the lake there was little sea runninig, but that it became rough while they were paddling. Others have since verified this statement, and made certain that it was not recklessness, but a feeling of security that had prompted the young men to go out on the fateful Sunday afternoon. Recommended Permanent Guard.

The agitation to have a permanent guard at Port Stanley during the summer months has been pressed by all. The jury at Port Stanley brought in a recommendation strongly advising the presence of a paid corps. There is a lifesaving crew at present at the Port, but t is made up of men who are frequently absent from the Port on account of business. Few urills have been held, and when an attempt was made to get the boat out last week the door had to be pried open, and it was with great difficulty that the rusty apparatus which holds the boat was brought into ser-
