BECK FUND TEAMS ARE "DIGGING IN

Secretary Pearson Reports Success So Far in Appeal For \$75,000.

Encouraged by the figures reported at last night's meeting of team work ers in the Beck memorial endowment fund campaign, workers who have voluntarily enlisted in the effort to raise London's quota of \$75,000 went out again this morning with renewed vigor, confident that the objective set would be in sight before the final meeting tomorrow evening.

Figures given at last night's meeting revealed that a total of \$37,852 or mor than 50 per cent of the required amour had already been raised.

Twenty-seven teams of canvassers were hard at work this morning in many sections of the city, calling upon citizens whom they had not been ab't to see in time for last night's meeting While it was impossible to ascertain just what degree of success they were meeting, indications are that the re Despite the fact that Ald.
