Ald. Bragg-110, 652 and 10 and

estimate was \$65,000. Let une engineer in speak for himself. (Uproar.) Ald. Macmillan started in to question, but Ald. Bragg replied, "I'm not here to be oriticised by you. You're a member of the council and know all about it." (Cheers paid, made by four persons and payable to the said Yorkshire Guarantee Corporation. and counter cheers.) all the securities at \$19,015 08.

Mr. E. M. Johnson-What is the estimate

Ald. Bregg-I don's know anything about the meeting of oreditors and contributories and voted for the appointment of a liquithat. Ask the contractor.

hat. Ask the contractor. Ald. Cameron's principal reason in voting three affidavits of their local agents confirmfor the contract was that he was guided by the professional engineers engaged for the The corporation the professional engineers engaged for the city's work. The majority of the apecial committee, on which was the engineer, had recommended that the city's interest would best be served by giving the contract to Walkley, King & Casey, as at Mr. Hag-garty's figures the work could not be done. their valuation and enforce their securities. If they had desired to stand outside the winding up and enforce their securities they were possibly at liberty to do so, subject to section 63.

Having once valued their securities they Ald. Partridge said that the Eastern en-Ald. Partridge said that the Eastern en-gineers had estimated \$80,000 with no con-tingencies, while John Haggarty had said he could do the work for \$66,000. He was inclined to take the estimates of the East-ern engineers in preference to Mr. Haggar. ern engineers in preference to Mr. Haggar. but I think that section 62 is compulsory on ty's. How many in this community know the creditor to value his security, leaving it their sorrow that innocent people suffer. to the liquidator to take such security at the to their sorrow that innocent people suler. ed when a contract was let at a lower price than it could be done for. He felt convinced that instead of \$16,000 being lost to the city what instead of \$16,000 being lost to the city money would be saved and the workmen creditor might stand very much in the would be sure of getting their money. position of a purchaser for value freed from

An exciting passage followed, Mr. Hag. garty asking why Ald. Partridge had not made known his (Mr. Haggarty's offer of 10 per cent. bonds to the council. Ald. Partridge replied that he had tried to keep away from Mr. Haggarty, who had dodged away from Mr. Haggarty, who had dodged away from Mr. Haggarty, who had dodged him round town. He (Ald. Partridge) did I think the liquidator is entitled to the not want people to imagine that he was booding. "No, you couldn't huy me, Haggarty," cried Ald. Partridge, amid a howle could was a for. Mr. F. B. Gregory for the Vorkshire howl of excitement. Guarantee Company.

Ald. Maomillan said that the Eastern engineers' recommendation to raise the dam
