lected as alternative penalties in crim- plains, but is always bright and cheery. inal prosecutions, the total is brought se to \$30,000. Almost two-thirds of the total was made up of assessme mposed for various violations of the T. A., according to figures compiled by Police Court Clerk John Moule.
In the liquor category, those charged with having liquor in other than a private dwelling paid the overwhelming amount. In this class there were 86 convictions all told, of which 11 took the jail alternative. The remaining 75 paid into the police court treasury no ess than \$13,700.

The number of cases tried before the court during the fiscal year was 2,859 and 78 of these were criminal Of the total number, 1,698 were convicted and pecuniary penalties or jail terms im osed. These figures are exclusive of the hearings held in cases in which the which added appreciably to the amount of clerical work.

The number of convictions registered under the O. T. A. was 438. The great majority were persons convicted of be ing intoxicated and of the 342 against whom convictions were registered, 322 paid fines totaling \$2,730. The remaining 40 were committed to jail.

SEVEN CONVICTED. One of the most outstanding features PUBLIC SCHOOL TOTAL of the statistics for the year is found in the fact that the number of persons convicted of selling liquor was small, while those caught with liquor in other than a private dwelling was comparatively large. Convictions for selling \$1,600 was collected in fines from this source. Only one of the seven con-

victed took the jail alternative. Other offenses against the O. T. A. were made up as follows: One conviction of drinking in a public place, for which a fine of \$100 was collected; pay roll of the Board of Education. three convictions for illegal purchase of liquor, which brought in a total of \$150, tain liquor, which netted \$50.

Inland revenue cases dealing with the to fines amounting to \$650.

SPEEDING. Motorists convicted in the city police Collegiate staffs would receive apcourt on charges of violating the High- proximately \$20,800. way Traffic Act and the Motor Vehicle which preceded it, numbered 669 and from this source the revenue derived was \$4,812. Had the Highway Traffic Act been in force during the entire 12 months, this amount would be appreciably higher in view of the fact minimum fine for speeding was increased and to the caretakers of the case is that no person on the Canadian which the blaze originated, was minimum fine for speeding was increas-Vehicle Act.
