Greatest Female Strengthenor on Earth. Thousands of women are wan, pallid, run-down and dispirited. What they need is that nourishing tonic Ferrozone. Soon they regain those laughing eyes, bright spirits and rosy cheeks. Ferrozone does this and more as Mrs. L. F. Adrianson of Whitney Pier, C. B., testifies. "My daughter was very much run down and had considerable trouble at times. Often I was at a loss to know what to do. Ferrozone cleared up all the trouble, made my daughter healthy and well. Ferrozone gives good appetite, regulates, strengthens. I consider it a medicine every woman should use regularly if she wants to feel her best." Rebuild with Ferrozone, it is the King of all cures. "Don't write to me again," aslant. "Write to me at once." At the bottom right hand corner, when upright, "I love you;" across, "My heart is another's;" upside down, "Good-day, my darling;" at the bottom left-hand corner, when upright, "Fidelity will be rewarded;" across, "Do not leave me alone in my sorrow;" upside down, "You have withstood all trials;" when on a line with the surname of address, upright, "Accept my love;" across, "I long to see you;" upside-down, "I am engaged."

What a Packer Wants.

W. H. Barnes, head of the Canadian Packing Co., who for some weeks has been looking into the conditions of the provision trade in Canada, is of the opinion that there will be a sharp rise before long in the price of all cereals and foodstuffs. Beef, he says, will reach a figure never before known. He has concluded that hog prices are too high, and, in consequence, the home market is the only one open to the Canadian packer. To develop this trade the Canadian Packing Co. have under consideration the opening of branch stores throughout Ontario where their products will be handled. The fact that Irish and Danish bacon can be put on the English market four weeks before the Canadian product, leads Mr. Barnes to believe that Canada can never control the bacon market of the mother country. Canada's great fault, he declares, is in the fact that the needs of the English market are never studied. The farmers here do not breed the class of hogs demanded over there. The present system of buying is erratic and fails to give the Canadian farmer an idea of what the English merchants want. What is wanted is a hog weighing from 150 to 200 lbs., and it would mean much to the trade if the farmers would breed this class.

G. T. Pays Car Hands Out \$60,000.

The Grand Trunk pay car was in London Tuesday, and in less than six hours after its arrival checks for over \$60,000 had been distributed to the employees in the city and immediate vicinity. "London gets more Grand Trunk money than any city in the middle division, except Toronto," said a Grand Trunk official yesterday. "Hamilton gets about half as much as London, because there are not as many engineers and trainmen running out of Hamilton as are here. The Grand Trunk pay sheet for the past year amounted to \$1,550,000, an increase of nearly 20 per cent over last year. Only a small percentage of this increase is due to expenses for construction work. The road has grown all around, and every department shows an increase. There are at present over 37,000 names on the G. T. R. pay roll in Canada.

System Requires Irequent Cleansing.

Not only outside but inside as well, your body must be frequently cleansed. Otherwise it becomes loaded with wastes that clog up the wheels of health. Much better to act in time. Use Dr. Hamilton's Pills; they strengthen and regulate the bowels, assist digestion, enrich the blood and thereby fortify the nerves and lay the foundation of lasting good health. Dr. Hamilton's Pills bring vim and vitality so much sought for today; they infuse a feeling of freshness and spirit in those who have been ailing for years. Really no medicine so potent. Price 25c at all dealers.

School Money is Withheld.

Twenty-five rural schools in the county have not complied with the provisions in the School Act, making it necessary for them to have a library before they can secure their share of the government grant. The money is at the office of County Treasurer Elliott and cannot be paid out until the Act has been complied with.

The total government grant received by Mr. Elliott was \$6,299.80, to be paid out to the rural schools of the county, based upon the salaries paid to and the certificates held by teachers. To date Mr. Elliott has paid out \$4,841, but still has in his possession \$1,458.80. This money will be distributed to the 15 schools that will be entitled to it as soon as libraries are added.

DOES THIS INTEREST YOU?

A prominent physician, famous for his success in the treatment of kidney and bladder diseases, attributes a great deal of his success to the following simple vegetable prescription:— One ounce Fluid Extract Dandelion; One ounce Compound Salutarin; Four ounces Compound Syrup Sarasaparilla;

Mix, shake well, and take in teaspoonful doses after each meal and again at bedtime. Your druggist can supply the ingredients, and the mixture can be prepared at home at very little expense.

This, the doctor says, acts directly on the kidneys, assisting them to filter the poisons from the blood and expel same in the urine, at the same time restoring the kidneys to healthy, normal action.

We feel that a great many readers will be pleased to learn of this simple prescription, and knowing the ability of the physician whose formula it is, we do not hesitate to recommend it to any sufferer.

PANDORA. Owing to the flue construction of most ranges it is a rather difficult feat to cook and bake successfully at the same time. But the arrangement of the Pandora flues differs considerably from others. They are so constructed that the draft for baking is also the best for cooking, the heat circulating around the oven twice and under every pot hole before passing up the chimney. The Pandora bakes and cooks perfectly at the same time. Do you know of another range that does? If your local dealer does not sell the Pandora write direct to us for Free Booklet.
