THIS SOCIETY is established on a mutual
simplified system—the most advanced in
England; and founded on a basis so sound as to
give the most effectual security to its members.

THE DESIGN OF THIS SOCIETY IS—

First—To enable persons to become their own
Landlords, and purchase Freehold or Leasehold
Property, by advances made by the Society—
£200 positively advanced for £36 a year for eleven
and a half years, which sum pays both principal and
interest. Other sums in proportion.

Secondly—To provide a safe and profitable Fund
for Savings, or Investments for small or large
sums of money. (This Society offers opportunities
in this respect which no other Institution in this Pro-
vince can do.—Savings' Banks only pay 5 per
cent. whereas this Society pays 6 per cent. Compound
Interest.)

THE OTHER IMPORTANT ADVANTAGES ARE—

1st—No money is lent but on security on Real
Property.

2d—New Members are admitted up to the time
the Society will end, with equal proportionate ad-
vantages.

3d—Any Member may withdraw the amount of
his Share at any time after the first year, with
the compound interest thereon. Shares may be
transferred at any time.

4th—Members may invest their Money in PAID
UP SHARES which will necessarily be doubled
£200 at the commencement being worth £120 at
the conclusion.

5th—Mortgages can be repaid at any time with
proper notice.

6th—The Accounts and Bank Book are open for
the inspection of members at every monthly meet-
ing.

7th—Securities given by all Officers of Trust.

The Board of Directors in St. John have the
GENERAL MANAGEMENT of the Society—but for
the purpose of accommodating persons resident in
other parts of the Province, BRANCH OFFICES, or
AGENCIES, are formed—where Shares can be ob-
tained, and all the payments made, in the various
districts; and Local Boards of Management will
be established so soon as the number of Shares
taken in any district render it advisable.

The FUNDS are procured from the Monthly Sub-
scription of the Members, and also from Monies
invested in Paid up Shares, which will always en-
sure ample means for meeting the advances re-
quired.

The PROFITS are certain, because the amount
paid by the borrower, for an advance, must neces-
sarily form the fund for paying the lender.

The EXPENSES of the SOCIETY are small, as the
Officers act gratuitously, with the exception of the
Secretary and Treasurer.

The FUND and FUND form a Contingent Fund,
out of which the expenses are paid, and the bal-
ance, which will be very considerable, will go
into the general Fund, which will lessen the du-
ration of the Society.

Every information, with copies of Prospec-
tus, Rules, &c. can be obtained on application at
the Office of the Society, or at the Offices of the
Agents.

By order of the Board,
CHARLES L. STREET,
Secretary & Treasurer.
