ASSAYING.

Parties having ores which they wish to have assayed for silver or gold, can have it done, and the quantity contained in it per ton, accurately determined, by sending samples of not less than four ounces, to this office. The charge, unless the ore is very refractory requiring numerous operations, will be \$1.00; and in no case will it exceed \$5.00; however difficult the ore may be to analyze.

Direct to Office of FAMILY CIRCLE.
