CURIOUS BEAR FIGHT.—Mr Thomas Daring, of Economy, was passing through his field on the 13th of August last, when he almost stumbled on a bear, before he saw the animal. Shocked by such proximity, Mr Daring fell back, and in falling grasped a stone, which he levelled at Mr Bruin. The missile took effect and was followed by two others, so well and vigorously directed, that the bear was stunned, and so disabled that his antagonist easily dispatched him. Bruin measured in length six feet nine inches. Mr Daring was sixty-three years of age.—*Id.*

DISORDERLY DRIVING.—We fear that much disorderly driving occurs on the Windsor road, among the country waggons returning from town. Last evening, about dusk, several country carts descended the hill above the Three Mile House, at a canter; some of the teams not at all guided, and others only very partially so. One of these came along with three horses, as a one horse waggon, in which was a gentleman and two ladies, was returning to town. The waggon kept as close to the left of the road as could be accomplished in safety, when it was struck by the cart, the after wheel knocked off, and the persons precipitated into the road. Fortunately no evil result but terror was experienced. Had the cart been closely followed by others, at the same rate, as is often the case, the consequences might have been dreadful.—*Id.*

FREDERICTON, Sept. 21,

The Clergy of the Established Church were lately assembled for several days in Fredericton. The proceedings of this meeting have not yet been made public, but we are informed that they will be soon. Among other important matters to which the attention of the Clergy was directed on this occasion, a principal subject of deliberation was the formation of a society upon a large scale among the members of the Church, both lay and clerical, for the furtherance of several pious and useful objects to which every sincere churchman must necessarily wish success. The plan of such a society was unanimously agreed upon, and waits only the formal sanction of the Bishop of the Diocese upon the receipt of which a vigorous attempt will be made to carry it into effect in every part of the Province.—*Gazette.*

MIRAMICHI, Sept. 27,

BANK OF BRITISH NORTH AMERICA.—R. Carter, Esq., the Agent for this undertaking, arrived here on Saturday last, in the Steamer Cape Breton. He intends remaining until the departure of this boat, on Monday next, during which time it is his intention to establish, if possible, a Branch of that Bank among us; and as there cannot be a question of the utility of the measure, we trust he will meet with every encouragement; and that those who wish well to the country, and have the means at their disposal—and there are many such—will not be backward in forwarding his mission.—*Gleaner.*

PROSPECTUS
OF A WORK TO BE ENTITLED
THE MEMORANDUM BOOK,
OR LAND-SURVEYING;

BY WILLIAM MCKAY.

THIS work has been prepared with great pains and labor; and with no other view than to diffuse over the Province accurate and useful information, upon a branch of science intimately connected with its prosperity. Perhaps nothing in a new country is more productive of litigation and loss, than careless and defective surveys of Land. To improve the System—to place within the reach of every class in the country—a plain, yet comprehensive Treatise, embracing every thing which a Land Surveyor requires to know, has been the object of the writer. The public must now decide whether or not his labours shall appear in print. If a sufficient number of subscribers are obtained to defray the expense of Printing the work will be put to Press. It will extend to about 240 octavo pages. Price 10s.
