This Company is remarkable for the following features of interest to assurers:—

1. It is a Canadian Company incorporated by a special Act of the Dominion Legislature, and invests the whole of its funds in Canada, thereby giving to its Policy Holders the benefit of their own premiums.
2. It has made the required deposit with the Dominion Government, for the absolute security of its Policy Holders.
3. Its investments are of the most select character, and command a high rate of interest, making it profitable to its Policy Holders.
4. Being under an experienced management, by which its funds are husbanded, recklessness, waste and ruin, incident to companies in the hands of novices, are avoided.

With these and other inviting features made known on application to the Head Office or to any of its agencies, there will be no cause for surprise that during the past twelve months of unparalleled depression in trade the Company has done

MORE THAN A MILLION of new Life business besides Accident.
