WHEAT RALLIES AT LIVERPOOL — A FEW BULL FACTS — CHICAGO PRICES 1/4 HIGHER AND THE MARKET STEADY.

Chicago, Nov. 19.

The Liverpool Corn Trade News makes the announcement that the European visible supply has decreased last week four millions and had the week before decreased nearly one million bushels. In six districts of Bombay, in eleven central districts in seven in Punjab, in three in the north-western provinces, in five in Beja, also in Ajmeer and Rajputana, efforts have been needed to avert famine. Again in America for the last twenty days or so the decrease in daily receipts of wheat has averaged about half a million bushels compared with receipts at the same time last year. These facts which seem to point to a boom in grain similar to that which exists in all other markets are, however, offset by other such facts as that Europe, even Russia, has more wheat than was expected that in Britain the war has ceased to be looked on as a cause of improved prices, that in Australia the growing wheat crops are pretty good, that from Argentina in six weeks another harvest of 70 million bushels will be gathered.

Liverpool offerings for December, March and May wheat were the same as previous closing prices, 5-8 1/2, 5-9 1/2, 5-9 3/4.

New York prices 72 1/2 for Dec., 75 1/2 for March, and 76 1/2 for May show 1/4, 1/2, 3/4 advances respectively.

Shipments at Liverpool 6,400,000 bushels. Cable later than opening said wheat 3/4 higher, the demand being chiefly from short sellers. Corn 1/4 higher, spot firm and futures dull. Chicago openings were 1/4 higher, and the market ruled firm.

Receipts were wheat car lots, 88; shipments 40,000.

Corn, car lots 292, shipments 306,721. Oats, car lots, 169; shipments 77,236.

Primary, last week, 1,280,569, shipments, 550,252.

Primary, last week, 2,173,137, shipments, 1,333,719.

Four ports, 722,442, shipments 618,305.

N. W. cars 1227, last week, 1264, last year, 2001.

Provision receipts, hogs, 35,000, cattle, 20,000, sheep 20,000.
