Reasons for the Popularity of

INTERNATIONAL TEACHERS' BIBLES

1. They have the largest, clearest type of any Bibles published.
2. They are lower in price than other lines.
3. The Teachers' Helps are of a more popular character—more helpful to the average teacher—than those of any other.

Want of space prevents us giving other reasons. Always ask your bookseller for THE INTERNATIONAL.

Rev. P. C. Hedley, 617 Huntington Ave., Boston, Mass.: "Although I have not given testimonials of so-called 'Proprietary Medicines,' I can fully endorse the one written by my friend, the Rev. George M. Adams, D.D., of Aburndale, Mass. which gave me confidence in the remedy before using it. Of all the preparations for dyspepsia troubles I have known, E. P. C. is the best, and seems to be entirely safe for trial by any one."

Dr. Adams' statement is: "I recommend E. P. C. very strongly; in my case it has proved singularly efficient; when I could find nothing else to give relief, it was a prompt remedy. I should be unwilling to be without it."
