

of the matter, Mrs. Scadding immediately launched a boat and put out to the relief of the unfortunate, and although a heavy sea was rolling and high wind blowing at the time, she succeeded in reaching him in time to save his life. It turned out to be a youth named Robert Booth, of our town, who had been out shooting ducks, in a small Rice Lake canoe, and by some means—he cannot tell how—it capsized, precipitating him into the water. He had been in the water for some time, and was quite benumbed with cold; had relief been delayed a few minutes longer, he would no doubt have perished. A valuable gun was lost when the canoe upset.

**PERILS OF THE DEEP.**

Special to the Chicago (Ill.) *Inter-Ocean*. The world renowned swimmer, Captain Paul Boyton, in an interview with a newspaper correspondent at the sea shore, related the following incidents in his experience: Reporter:—"Captain Boyton, you must have seen a large part of the world?" Captain Boyton:—"Yes sir, by the aid of my Rubber Life-Saving Dress, I have travelled over 10,000 miles on the rivers of America and Europe; have also been presented to the crowned heads of England, France, Germany, Austria, Belgium, Italy, Holland, Spain and Portugal, and have in my possession forty-two medals and decorations; I have three times received the order of knighthood, and been elected honorary member of committees, clubs, orders, and societies."

Reporter:—"Were any of your trips accompanied by much danger?"

Captain Boyton:—"That depends upon what you may call dangerous. During my trip down the river Tago, in Spain, I had to 'shoot' one hundred and two waterfalls, the highest being about eighty-five feet, and innumerable rapids. Crossing the Straits of Messina, I had three ribs broken in a fight with sharks, and coming down the Somme, a river in France, I received a charge of shot from an excited and startled huntsman. Although all this was not very pleasant, and might be termed dangerous, I fear nothing more on my trip than intense cold, for as long as my limbs are free and easy, and not cramped or benumbed, I am all right. Of late I carry a stock of St. Jacobs Oil in my little boat (the Captain calls it "Baby Mine," and has stored therein signal rockets, thermometer, compass, provisions, etc.)—and I have had little trouble. Before starting out I rub myself thoroughly with the article, and its action on the muscles is wonderful. From constant exposure I am somewhat subject to rheumatic pains, and nothing would ever benefit me until I get hold of the Great German Remedy. Why, on my travels I have met people who had been suffering with rheumatism for years; by my advice they tried the Oil, and it cured them. I would sooner do without food for days than be without this remedy for one hour. In fact I would not attempt a trip without it."

**REST AND COMFORT TO THE SUFFERING.**—"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago, and any kind of a pain or ache. "It will most purely quicken the blood and heal, as its acting power is wonderful." "Brown's Household Panacea, being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family, handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and pains and aches of all kinds," and is for sale by all druggists at 25 cents bottle.

**GOOD THING FROM THE STATES.**

In this age of quackery, it is consoling to discover that there is something solid in existence, and that, though there are vendors who lie most cheerfully about their wares, there are others who tell the truth and allow time to test the merits of what they offer for sale. As year after year rolls over, the frauds and the shams sink away out of sight in the pools and morasses of obscurity, while what is really good and true stands boldly forth all the grander for its age and solidity. Thus while within the present decade thousands of patent medicines, puffed at one time to inflation, have shrunk before the test of analysis, *St. Jacobs Oil* has bravely borne the strain, and is to-day renowned all over the world for its famous curative powers. It is truly one of the phenomena of the age we live in. The sale of this article is incredible. It is to be found all over the civilized world and in a good many places which are not civilized—for, unfortunately, the bones of sorrowing man are racked and ache with pain no matter what region he inhabits—and we believe it is yet destined to be found in every house, and to supersede the many nostrums which remain abroad to rob and defraud humanity of its money and its health. The firm of A. Vogeler & Co., of Baltimore, spend half a million dollars yearly in advertising *St. Jacobs Oil*, and hence we may guess at the full extent of their enormous business. It is truly marvellous, or would be, did we not know the circulation of this inestimable blessing.

No Preparation on earth equals *St. Jacobs Oil*, as a safe, sure, simple and cheap External Remedy. A trial entails but the comparatively trifling outlay of 50 Cents, and every one suffering with pain can have cheap and positive proof of its claims. Directions in Eleven Languages. **SOLD BY ALL DRUGGISTS AND DEALERS IN MEDICINE.** **A. VOGELER & CO.,** Baltimore, Md., U. S. A.
