LONDON—20 King William Street, City.

Expressly constituted on the principle of reducing the Expense of Life Assurance as low as is consistent with permanent Security.

Amidst the many and various systems of Life Assurance presented to the public notice, that of the LIFE ASSOCIATION OF SCOTLAND is undoubtedly well suited to the circumstances of the majority of persons who effect Assurances, as is evident from the rapid and unexampled increase of the Policy-holders. The Policy-holders of the Association incur none of the risks of partnership. They are free from all responsibility, and the Sums Assured are guaranteed in any event.

LIFE ASSOCIATION OF SCOTLAND.

FOUNDED IN 1838.

Empowered by Royal Charter and Special Act of Parliament.

All the Regulations are framed on a liberal footing, and so as to afford the Assured every proper facility. The Association is, however, to be distinguished from every other Scottish Assurance Office by its system of Dividing Profits amongst the Assured,—a system at once simple, safe, and equitable, and by which every Policy-Holder enjoys, during his own life, the share of profit allocated to him.

The Scheme for the Current Year

WILL BE CLOSED ON

MONDAY, the 5th APRIL next, 1858.
