A SNAP IN AMERICAN BOOKS.

The Toronto News Co. have made an arrangement with F. Tennyson Neely, the American publisher, which is certain to be appreciated by the Canadian trade. It means the sale of popular and attractive books in Canada at prices which will ensure ready sale at a good profit. The military stories of Capt. King, which already meet with favor in Canada, are handsomely bound and retail in the States for \$1.25. In future the Toronto News Co. will have them to retail at 60c. here, with a good trade discount. One of these books, "A Garrison Tangle," is already in and may now be ordered. It is a good story, and its tasteful blue and gilt cover is very attractive. The same publishers' little Prismatic Series, which retail in the States for 75c., will in future retail in Canada for 50c. A large sale for these books will at once ensue.

MASTER ARDICK, BUCCANEER.

This is a story of wild life in the British merchant service in the days of Cromwell—adventures, hairbreadth escapes, pirates, etc. It is told by Ardick himself, with much of the manner of the period. The author, F. H. Costello, has a good idea of how to tell a story, and the 50-cent paper edition, issued by the Copp, Clark Co., Ltd., should go well in Canada.
