

much, furnish but little relief, and in a great majority of cases are positively harmful, and as such have received our just condemnation.

"In the light of what has been said, it is a matter of genuine satisfaction to the compilers of these reports to come upon a line of preparations which has been found by expert examination, conducted through our inquiry bureau, to be all, and more, than the individual representing the same claims for his specifics. Reference is had, particularly, to Dr. Campbell's Safe Arsenic Complexion Wafers and Fould's Medicated Arsenic Complexion Soap, now owned and offered to the public by Mr. H. B. Fould, of 214 6th avenue, New York.

"The above remedies are sold in all first class drug stores, and have stood the test for years, and are especially valuable for the complexion. They clear the skin, purify the blood, develop the form, and clear the complexion thoroughly; for rough skin and for expelling blackheads and pimples they are invaluable. They are put up in attractive forms, and have demonstrated to thousands of ladies who have tested the same that nothing better has ever been compounded for the purpose of beautifying the face and features.

"As a large proportion of our readers are found among ladies and in the home circle, this report is written in their interest, and not for the purpose of advertising these remedies, the reference to these superior articles being purely incidental,

but, inasmuch as we have satisfied ourselves of their worth, it is only a public duty to say as much in a report, based upon our honest and unbiased examination, made in pursuance of the object which sustains this publication.

"Both Dr. Campbell's Wafers and Fould's Arsenic Soap are toilet essentials of such superior character that it is a pleasure for the United States Health Reports to give them an editorial indorsement."

Dr. Campbell's Safe Arsenic Complexion Wafers and Fould's Medicated Arsenic Soap can be had at any first class drug store in the United States, Canada, and Great Britain. Also sent by mail on receipt of price. Wafers, per box, \$1; six large boxes, \$5. Soap, 50 cents per cake, or \$5 per dozen cakes.

Address all mail orders to the Lyman Bros. & Co., 71 Front street east, Toronto, Ont., Canada, and Lyman, Sons & Co., Montreal, Canadian agents.

Two in One.

The two organizations known as the Ontario Optical Institute and the Optical Institute of Canada have been amalgamated, and the new institute will be known as the Optical Institute of Canada, with quarters at 60 Yonge street, Toronto. This organization will be under the management of Mr. J. L. Leo, of Montreal, the classes being conducted by Dr. E. Hamill, whose knowledge of optics

HOW TO SEE

Niagara Falls!

The best views of the Great Cataract are obtained from

THE OBSERVATION TOWER

Opposite Prospect Park, Entrance to the State Reservation.

An unequalled panorama, embracing the magnificent landscape and river scenery of the Falls.

The Best View of the River and Rapids

is gained by a trip over

'The Gorge Route'

THE

Niagara Falls and Lewiston Railroad.

This splendidly equipped electric line traverses the entire length of the Niagara Gorge, on the American shore, close to the water's edge, from the Falls to Lewiston, passing many

Caves, Rapids, Battle Grounds, and Historic Points.

To see Niagara, as it should be seen, cheaply, thoroughly and quickly the tourist should ascend the Observation Tower, and later take a trip over the most complete electric route in the world—

THE NIAGARA FALLS AND LEWISTON RY.

For Excursion Tickets, etc., address,

NELSON'S

Soda Fountains and Supplies

THE QUEEN PORTABLE FOUNT.

Patented May 22nd, 1894.

MR. TOOGOOD, of Prince Albert, writes: "As I have closed the season for the Fount, I thought I would write you a few lines and let you know how I janned out. My cash sale were \$263.00. The cost of my Fount and materials to run the drinks from it \$160.00. Therefore, I made Fount clear and \$103.00 over and above all costs, or otherwise sixty-five per cent. on my investment, or, in other words, \$103 and the Fount."

MR. NELSON: DEAR SIR,—The fountain I bought from you last year proved itself to be one of the best I have ever seen of its kind, gave the best of satisfaction, and I am sorry for one thing, which is that I did not buy one from you sooner. I can recommend your fountain to any one desiring such an article. I think your drawer system much better than the bottles. I am, yours respectfully,
JOHN McKAY,
Chemist and Druggist,
305 YONGE STREET, TORONTO.

458 Parliament St.

TORONTO.

CHEAP CYLINDER COUNTER FOUNT.

WITH GAS ATTACHMENTS

MR. S. L. HOWE, Chemist, Thornbury, Ontario, says: "I have the Fountain running in FIRST-CLASS ORDER, and doing well. The Generator works satisfactorily. I may say that everything is WORKING WELL and MOST SATISFACTORILY. I hope you may do well, and sell lots of fountains."
