President. Managing Director.

The Dark Pathways of Life

are those trodden by the wives and children of deceased husbands and fathers who failed to protect them through life insurance. Many a wife and child has been happier and better on account of the protection afforded by

The Temperance and General Life Assurance Company

Not only this but thousands of men are happier and better men from the sense of security they have on account of their families being protected by its policies, and the satisfaction that comes from having done their duty. We stand ready to protect thousands of other homes.
