## A TERRIBLE TRAGEDY.

A terrible tragedy was happily averted the other evening by the presence of mind of the wife of one of our most respected citizens. The family consists of the husband, wife and two children. We briefly narrate the thrilling experience of this family. Mr. A. hurriedly entered the room where his wife and family were seated and from the determined expression upon his face, Mrs. X. saw at once that something was amiss. He demanded his razor, which had accidentally been removed. The horror experienced by Mrs. X. may be imagined, and in order to divert his attention inquired for what purpose he wanted to use it. Imagine her relief when he stated his intention of removing a corn or two which ached terribly, and like a true woman she was equal to the occasion, for she had already purchased a bottle of Putnam's Painless Corn Extractor, of which, on every hand, she had heard nothing but praise. Avoid the evils of domestic life by using Putnam's Corn Extractor.

Very few deep basques are in this season's dresses; the style most affected seems to be copied from the funny tail-feathers of a Bantam chicken.

## Puttner's Emulsion.

## CONSTITUTIONAL CATARRH CURED.

I have had occasion during the past two years to use, in my family, the medicine generally known as "PUTTNER'S EMULSION OF COD LIVER OIL, &c."

Our baby up to the age of four months was so ill and emaciated with constitutional catarrh, as to give no hopes of her recovery, at which time we began to administer the Emulsion, and continued with small doses for a year. She is now two years old, quite active and vigorous, talks and runs, has cut most of her teeth, had the measles, and is cured of Catarrh.

Other members, old and young, of the family, have taken the medicine for different diseases, and it has done good in every instance.

I consider it effective for the cure of coughs, general debility, and any disease that can be cured by building up the system.

I have freely recommended its use; and its beneficial effects have been reported to me by many of my acquaintances who have been induced to give it a trial.

I consider it as far in advance of pure Cod Liver Oil, as the "Oil," years ago was in advance of the old method of treating Consumption. Yours truly,

J. PARSONS,

Attorney and Barrister.
