MONTREAL PUBLIC SERVICE CORPORATION BONDS

A block of \$2,550,000 6½ per cent. 5-year Montreal Public Service Corporation bonds, dated July 2, 1919, are being offered by Rene T. Leclerc, Beausoleil, Ltd., and Credit-Canadien, Inc., Montreal, in denominations of \$1,000, \$500 and \$100, at par and interest. The corporation, which was founded in 1908, is a consolidation of the Saguenay Electric and Water Co., the Dominion Light, Heat and Power Co., and the St. Paul Electric Light and Power Co. It furnishes electric power to the Montreal Tramways Co., under a contract, extending over a period of 50 years, until 1965. The bonds are subject to redemption by the company, in whole or in part, on the 2nd or 3rd interest date at 101½ and accrued interest, or at any subsequent interest date at 101 and accrued interest, on thirty days' notice being given in each case.

The security for the new issue consists of \$400,000 first mortgage 5 per cent. 30-year bonds of the corporation, due in 1942; \$2,550,000 second mortgage 6½ per cent. bonds, due in 1924; \$1,700,000 5 per cent., first mortgage bonds of the Canadian Light, Heat and Power Co., due in 1949, and 59,500 shares of the latter enterprise out of an outstanding issue of 60,000 shares.
