This is the only Company that issues Policies giving the benefits of the Maine non-forfeiture law, and specifying in definite terms by its Policy Contract, that there can be no forfeiture of the insurance by non-payment of premium after three annual premiums have been paid, until the value provided for is exhausted in extended insurance, and every policy issued, states in plain figures, the extended insurance, and cash value as the case may be (after the third year), according to the number of full annual premiums paid. NOT MERELY ESTIMATES BUT ACTUALLY GUARANTEED and after being in force THREE FULL YEARS the policy BECOMES INCONTINGENT. Matured policies are payable at once without rebate of interest on receipt of satisfactory proofs of death, together with a valid discharge from proper parties in interest, the Company waiving the usual delay of ninety days required by most Companies.

The guaranteed extensions and cash values do not include the Dividends which will accrue to the Policy.
