- (7) Corpl. J. McFARLAN, P.P.C.L.I.

"I have tried many remedies for Indigestion, but the best of all is Phosferine; it has never failed me yet."

- (8) Sergt. C. N. BYWELL, 16th Batt.

"A comrade having recommended Phosferine to me as a remedy for Indigestion, I took his advice, and after several bottles I find myself greatly improved in health and full of vigour."

- (3) Pte. W. J. WEIR, 14th Canadians, R.M.R.

"Phosferine is without doubt a great asset to anyone who wishes to recuperate their health, as the Great War has no doubt run down a great percentage of the population, so I say take it and be 'an A I man.'"

"I have found Phosferine to work very satisfactorily and to give instant relief, and would highly recommend it to all those suffering from Indigestion."

PHOSFERINE IN GERMAN EAST AFRICA.

In connection with the above, the Chief Editor of *The African World* writes:—

The case of PHOSFERINE which we dispatched to German East Africa during 1916, was opened at Dodoma Hospital, on the Tanganyika Railway, at the very fighting front. A personal letter from one of the Army Medical Service men to us, stated that PHOSFERINE was tremendously appreciated as one of the finest tonics in the numerous heavy malarial fever cases—thus bearing out Sergeant Blaver's testimonial, which we have seen in the papers this week.
