

3. In particular, the Executive Council shall:

- (a) supervise and co-ordinate the activities of the Technical Secretariat and the other subsidiary organs, especially the implementation of the annual programme and budget;
- (b) propose to the Conference, as appropriate, the establishment of such subsidiary organs as it finds necessary for the exercise of the functions of the Organization;
- (c) submit to the Conference for approval the proposed annual report and the annual programme and budget of the Organization;
- (d) make recommendations to the Conference concerning any question or matter within the competence of the Organization;
- (e) enter into agreements with the United Nations or other international organizations on behalf of the Organization, subject to approval by the Conference;
- (f) approve agreements, concluded by the Director of the Technical Secretariat with States Parties, relating to verification activities;
- (g) request a special meeting of the Conference;
- (h) obtain, keep and disseminate under established procedures information, submitted by States Parties, pertaining to the Convention;
- (i) consider reports on on-site inspections, submitted by the Director of the Technical Secretariat;
- (j) receive requests for information and clarification regarding compliance with the Convention, including requests for fact-finding, and decide and oversee specific actions to be taken upon such requests;
- (k) ...
