

Article III

Obligations of States Parties and the Agency

A. States Parties.

1. Each State Party undertakes to establish in cooperation with the Agency an effective international and universal monitoring regime. The regime includes the establishment of international monitoring systems based on seismological data, hydroacoustic data and data on radionuclides in the atmosphere and the use of additional relevant techniques.

The arrangements for these international monitoring measures are laid down in the Protocol, annexed to this Treaty.

Each State Party undertakes to establish the necessary facilities to participate in these cooperative measures and through its National Authority to establish the necessary communication channels with the Agency. These arrangements shall be operative on the entry into force of this Treaty.

2. Large non-nuclear explosions carried out by a State Party shall be conducted in accordance with provisions laid down in the Protocol, annexed to this Treaty.
