## MORGENTALER CLINIC—ALLEGED RESTRICTIONS ON POLICE

**Mr. Ernie Epp (Thunder Bay-Nipigon):** Mr. Speaker, I certify that this petition has been found acceptable. It is my duty to present a petition on behalf of constituents who are of the opinion that the operation within the City of Toronto of the Morgentaler clinic is an affront to law-abiding citizens. They call on the Parliament of Canada to require the Government of Ontario to remove any restrictions which may have been placed on the police force of Metropolitan Toronto in dealing with this.

*Introduction of Bills*

**Mr. Turner (Ottawa-Carleton):** Mr. Speaker, I am pleased to introduce my first Private Member's Bill today. It is, as you said, an Act to amend the Canada Elections Act repealing Section 67 which prohibits the sale of alcoholic beverages during federal elections and federal by-elections. Canada's Chief Electoral Officer, the Canadian Restaurant and Food Association, and many small businesses will be very pleased as this will have a positive effect as well on our tourism industry. At the same time, it will expand the federal Treasury. I call upon the House to ensure that this Bill is agreed to by all sides quickly.
