HARPER'S NEW MONTHLY MAGAZINE. "Unquestionably the best sustained work of the kind in the world." It is the foremost Magazine of the day. The fireside never had a more delightful companion, nor the million a more enterprising friend, than Harper's Magazine. —*Methodist Protestant* (Baltimore). The most popular Monthly in the world.—*New York Observer*. We must refer in terms of eulogy to the high tone and varied excellences of "Harper's Magazine"—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the culture of the American people; and the popularity it has acquired is merited. Each number contains fully 144 pages of reading-matter, appropriately illustrated with good wood-cuts; and it combines in itself the racy monthly and the more philosophical quarterly, blended with the best features of the daily journal. It has power in the dissemination of a love of pure literature.—*TRUBNER'S Guide to American Literature, London*. The volumes bound constitute of themselves a library of miscellaneous reading such as can not be found in the same compass in any other publication that has come under our notice.—*Boston Courier*.
