

Condensation of electricity . . . . .	151
Condenser . . . . .	191, 192
Conductors, definition of . . . . .	129
Contact keys . . . . .	105, 156, 157
Continuity of a conductor, test for . . . . .	247
Continuous circuit . . . . .	97
Copper plates, cleaning . . . . .	page 82
" wire, resistance of . . . . .	page 79
Current, electrical, definition of . . . . .	135
" " measurement of . . . . .	236-242
" " " by the deflection of a galvanometer . . . . .	238
" " " method of vibrations . . . . .	240
" " powerful currents . . . . .	239
" " to fire an electrical fuse . . . . .	242
" " to fuse a fine wire . . . . .	241
" " unit of . . . . .	139
" " and work, relation between . . . . .	152
Cuttings, railway or road, demolishing with gunpowder . . . . .	53

**D**

Demolition of arches . . . . .	67
" " bridges . . . . .	56
" " cuttings, railway or road . . . . .	57
" " embankments . . . . .	56
" " houses . . . . .	63
" " palisades . . . . .	53
" " piers (stone or brick) . . . . .	62
" " trees . . . . .	59
" " walls . . . . .	66
Demolitions, hasty . . . . .	86
Detectors . . . . .	109-171
Detonation, definition of . . . . .	3
" examples of . . . . .	9
" rate at which it travels . . . . .	6
" sensitiveness of explosives to . . . . .	7
" of wet guncotton . . . . .	14
Detonator for dynamite . . . . .	31, 34, 40, page 70
" guncotton . . . . .	31, 33, 35, 37, 41, 42, page 70-71
Detonator, makeshift for dynamite . . . . .	40
" " " guncotton . . . . .	41
Dielectric, definition of . . . . .	131
Difference of potential, definition of . . . . .	133
" " measurement of, by Law's condenser method . . . . .	226
" " " " by the deflection of a galvanometer . . . . .	227, 228
" " unit of . . . . .	141
Differential galvanometer . . . . .	182
" " Latimer Clark's . . . . .	183
Divided circuit . . . . .	97
" " theory of . . . . .	147
" fuzes . . . . .	45
Drying wet guncotton . . . . .	15
Dynamite . . . . .	18
" application . . . . .	20
" cap, dimensions of . . . . .	page 70
" testing . . . . .	113
" charges, precautions when making up . . . . .	page 12
" detonators . . . . .	31, 34, 40
" " makeshift electrical . . . . .	40
" frozen, treatment of . . . . .	19
" precautions when using . . . . .	page 60
" primer, precautions when making up . . . . .	page 62
" " preparation of . . . . .	50
