

18. On the list of Voters to be handed to the Inside Agent the letter "S" should be marked opposite the names of those who are to be sworn.

19. BUT MOST IMPORTANT OF ALL, PROVISION MUST NOW BE MADE FOR BRINGING THE VOTERS TO THE POLLS ON POLLING DAY.

- (a) A little careful consideration now by the Committee will prevent much confusion, loss of time and unnecessary driving on Polling Day, and may determine the election in our favor.
- (b) There are many ways in which the arrangements for bringing the voters out may be made, and these are but suggestions. Ascertain who can bring out their teams, and let the man who takes out his team bring with him all the electors who live on the road he has to travel in coming to the poll.
- (c) Try and so arrange it that every man will be brought to the polls by one of those having a team as he himself comes to the poll, so that it will not be necessary to drive back again, perhaps over the same road that he has already travelled, in order to bring a voter who might just as well have been brought out at first.
- (d) Every elector who has not a team or is unable to take it out should be assigned to the care of someone who has, in order to make certain that his vote will be polled.
- (e) And a list of those to be brought by a particular person should be made out and handed to him.

20. The non-resident voter should, if not already seen to, be, without more loss of time, looked after.

21. The canvass should be briskly kept up, and our Candidate's Meetings, or meetings at which our Candidate is to be represented, should be attended by all our friends.

22. If there is any reason to suspect that the other side will resort to bribing, means should be taken to prevent it by patrolling or otherwise guarding districts.
