Baseball All Stars 13, Athletics 8 ⁘ Rugby School Scores ⁘ Lacrosse Owen Sound 5, Maitlands - 2

Note and Comment

The game at Orangeville yesterday wound up all lacrosse for the year, and was the final of the C. L. A. championship contests. Owen Sound won, and thus, like St. Catharines, are double winners, the honor roll being as follows:
Senior—St. Catharines.
Intermediate—Owen Sound.
Junior—Owen Sound.
Juvenile—St. Catharines.

Of the lot of pitchers who will figure in the world's series, Morgan of Philadelphia is the only spit-ball artist. Each team has three right-hand pitchers and two left-handers. Matty, Ames and Crandall are the Giants' right-handed boxmen, while Marquard and Wiltse are the southpaws. Mack's right-handers are Bender, Coombs and Morgan, the port-side twirlers being Plank and Krause.

The Giants and Athletics are well supplied with able substitutes. McGraw's men have a first-class catcher in Arthur Wilson in case Meyers is disabled, while Arthur Devlin can jump into any infield position. Beals Becker, too, is ready to play in the outfield. The Athletics have two great catchers in Lapp and Livingston to supplant Ira Thomas. They can call upon the veteran Harry Davis to play first base in case McInnes is hurt or is compelled to supplant one of the other infielders. Another capable infielder is Derrick. For the outfield, Mack has the veteran Topsy Hartsel and Strunk.

That $22,500 which George McDonald, manager of Matt Wells, offered—on paper—to Ad Wolgast for a ten-round fight with the champion lightweight English boxer, was a will-o'-the-wisp, so far as Tom Jones or Wolgast was concerned. They were unable to grasp it or even any part of it in time for the guarantee to be posted.

Six Club League Double Schedule In the N. H. A.

MONTREAL, Oct. 11.—The National Hockey Association met here to-night behind closed doors and discussed informally several matters which will not be put into order until the annual meeting. The Toronto Hockey Club, which already had a franchise in the league, was represented by Percy Quinn and was formally admitted. The session lasted thru nine hours, at the end of that time only a meagre statement being made to the newspaper men by President Emmett Quinn. The meeting decided on the raising of the present salary limit, the playing of a double-schedule, wit ha six-club league, composed of Ottawa, Wanderers, Canadians, Toronto, Renfrew and Quebec. This arrangement will give each club ten home games. President Lichtenhein was anxious to have the Stanley Cup abolished as the championship trophy, but met with but scant support in this direction, it is understood.

A far more interesting proposition from the public point of view was a suggestion submitted to the meeting by H. E. Northey of the Montreal Arena. Mr. Northey suggested that the number of players on a team should be reduced to six, arguing that the dropping of the seventh man would lead to more action, would make the games faster, and would help the clubs by reducing somewhat the operating expenses. This proposition will be given most serious consideration at the annual meeting. It is understood that the league discussed some protective measures against raids on N. H. A. players by western or other leagues, but what decision was arrived at was not announced. Those present at the meeting were:

R. T. Shillington and F. C. Sparkes, Ottawas; G. Kennedy and N. Dorval of Canadians; S. E. Lichtenhein and McCafferty, Wanderers; H. Jordan, Renfrew; J. Power, Quebec, and P. Quinn, Toronto.

World Series at the Star Theatre.

A few will leave Toronto for the world's baseball series, that starts Saturday next in New York, but the great majority of fans will take in the games right here at home, as shown by the Paragon Score Board in the Star Theatre. The umpire will call "Play Ball" for the Giants and Athletics at two o'clock, when the game will also start at the Star. Afterwards the Star's regular burlesque show will be given.

Athletics Walloped In Heavy Hitting Game at Richmond

RICHMOND, Va., Oct. 11.—The All-Stars had little trouble in defeating the Philadelphia Athletics of the American League here to-day by a score of 13 to 8. Krause hit the longest drive of the year at the local park, lifting the ball high over the left-field fence for a home run. Neither team showed remarkable defensive powers, the men being unwilling to take chances. More than nine thousand people witnessed the game. Mack used Morgan, Krause and Coombs in the box, who yielded 15 hits, while his men got the same number from Collins and Mullin, who pitched for the All-Stars. Score:

ARTHUR IRWIN SAYS SERIES IS A TOSS-UP

Team That Can Show Most Effective Pitching Will Win—Baseball Dope.

NEW YORK, Oct. 11.—Many baseball experts are sizing up the Giants and Athletics, with conflicting opinions. Partisan feeling is playing an important part in the work of the prophets. Conservative judges say the teams are evenly matched, and that the result of the series will depend largely upon baseball luck. Arthur Irwin, the Highlanders' scout, always a close student of base ball form, said yesterday:

"It's a toss-up. In my opinion the team that can show the most effective pitching will win. Another important point is the execution of the hit-and-run system. Whichever team can play this game the better will come near carrying off the honors. To score runs with such methods a team must be able to outguess the opposing battery. To stop the hit-and-run game a pitcher must work with his catcher, so that the batsman cannot hit good balls when he gets the sign from the baserunner, while the latter as a result must run chances of being thrown out.

Successful baserunning in this series depends upon the way the batsmen protect the men on the bases. Stealing haphazardly will be almost impossible. Team play at the bat is all-important, and, as both teams know how to employ this style of attack, the result of the series appears to be very much in doubt. If the Giants and Athletics were to play twenty-two games instead of seven there would be no doubt as to which would prove the master. But in seven games many unexpected things may happen. The most reliable pitchers may be hit hard, while the inferior batsmen may excel those with the big averages. It's about the closest gamble I've ever tried to solve, and nobody can safely predict anything until the first two games have been played."

Rugby Gossip

Varsity had another good practice with the seconds yesterday and are certainly going fine. The back division which was composed of Maynard, Ramsay and Dale, worked very well and Pete Campbell at quarter, is fast developing into a wonder at his position. One well known critic remarked last night that he thought Campbell looked one of the best players that ever held down the quarter back position on the Varsity team.

Tommy Dales, who played such a good game for Varsity against Queens and who last year was prominent on the thirds, seems to have one bad fault, that is he does not seem to like being told where to play. It was noticed, several times by the onlookers last evening that even when told by his captain to move further out or closer in as the case may have been, he seemed to choose his own position and refused to move. While he is no doubt an excellent player, he must remember that others also know the game and are only directing him in the best interests of Varsity.

Owing to the injury to Billy Jarvis the Argonauts have decided to play O'Connor, the former St. Michael boy, who last Saturday performed so well at outside wing for the Argos against the Tigers, at quarter. While the position is somewhat new to this player, he nevertheless acquitted himself very favorably at last night's practice. O'Connor is a beautiful tackle and Coach Foulds feels quite confident he will fill the bill.

Murphy will pay middle left on Saturday in place of Wigle, who is still laid up with an injured arm. The good news comes, however, that Wigle's injury may not prove as serious as at first thought and he will be available for the game the following Saturday.

The Argonaut practices are now something worth witnessing and the worked hard by Coach Foulds they seem to like it, particularly when they see the results of his instruction.

St. Michaels are having great workouts in preparation for their game with the Hamilton Alerts on Saturday at Rosedale. Alerts are being touted as the coming O.R.F.U. champions, but the college boys will endeavor to change this idea. Gorman, the big college wing player, will be all right for Saturday, which is good news for the college. The game is scheduled to start at 3 o'clock, with Jimmy Bell as referee and Hugh Hayes of Hamilton as umpire.

Nealon, Mulvihill, Cyril Murray, Flanagan and O'Leary are a few of the Junior St. Michaels who are practising hard in order to secure a place on the senior team.

The Capitals' Interprovincial team will practice to-night and Friday night in Jesse Ketchum Park in preparation for their game with Rough Riders in Hamilton on Saturday. The following are requested to be out both nights: Price, Whale, Metcalf, Adams, Reid, Howard, Morrison, Kirk, Graham, McWhirter, Glaize, Richards, Pratt, O'Hearn, Thinnings, Armstrong, Webster, J. Smith and Clarke.

The St. Andrew's fourth Rugby team won an easy game from Upper Canada 4th team by the overwhelming score of 75—0. This was the annual game played between these two schools and was played on St. Andrew's College grounds.

Sporting Editor World: You have an item in yesterday morning's paper which says that Hugh Gall is coaching Parkdale Senior High School team. This is not the case. Hugh Gall has not seen one man of the Parkdale team this year. The team is being coached by a teacher of the school.
Parkdale Collegiate. F. E. Reid.

Parkdale C.I. defeated Upper Canada I. in a practice match yesterday on U.C.C. grounds. The score was 11 to 3.

The Capitals' Junior City, who play the Victorias, and Intermediate City team, who play High Park on Saturday, are asked to turn out to-night at 7.30 in Ketchum Park; also the Junior City team. The Caps' senior team play the Rough Riders in Hamilton on Saturday.

T.A.A.C. had a useful workout on Varsity campus with a university team yesterday afternoon and will again be out this afternoon.

UNIVERSITY SCHOOLS WIN FROM HARBORD BY 7 TO 1

Technical Defeat Riverdale in Junior League Game—Rugby Notes.

The University of Toronto School's Rugby team defeated Harbord Collegiate Institute yesterday by 7—1. The game was played at Willowvale Park. U. T. S. had the better of the argument all the way. Jeff Smith, the great kicker of the Capitals' Senior City League team, lined up with the school.

Early in the first quarter U. T. S. scored on a rouge. There was no more scoring till late in the second quarter, altho the play was very fast. One of Smith's long kicks went behind the Harbord goal line and Junkin fumbled. Garrett fell on the ball for a touch-down. In the last quarter both teams scored on rouges, making the final score 7—1. There was some trouble on a decision which cost Harbord a touchdown, but it was the Harbord umpire who made it.

The game was featured by good tackling and Smith's splendid kicking. Applegath, Prawley and Garrett were in the best of form, and the way in which they got after the Harbord men contributed a lot towards the school's victory. Altho the wings were of about equal weight, Harbord did not use them to as great advantage as did U. T. S. Some fine runs were made by Ott and Pinkerton.

After the game, when the U. T. S. boys were waiting for a car, a runaway team dashed by, quite out of the control of the driver, who had fallen back from his seat. Frawley, one of the players, with great presence of mind ran after the wagon and climbed in from behind. He took the reins and soon stopped the team. The line-up:

U. T. S. (7)—Stone, Ott (captain), Smith, Pinkerton, Ferguson, Frawley, Melton, Dixon, Large, Gregory, Mulholland, Applegath, Mullin, Garrett.

Harbord (1)—Junkin, Price, Bickle (captain), McClaren, Hobus, Webb, Jones, Johnson, Heakes, Merrick, Stevens, Halleron, Allan, Hagerton.

Score by quarters: 1—0, 6—0, 6—0, 7—1.

Technical Shut Out Riverdale.

Technical defeated Riverdale yesterday afternoon in Ketchum Park by 18—0, in the junior series of the High School League. The feature was the splendid team play of the winners. Stark, the Technical captain, used excellent judgment and kicked splendidly thruout the game. After three minutes of play Stark went over for a touchdown; they failed to convert. Technical next scored by Laughlin bucking over for a try. Ramage converting. At quarter-time the score was 11—0.

Technical scored one point in the second quarter, a rouge, resulting after Philpot narrowly missed a goal from field. Half-time score, 12—0.

In the third quarter Tuck made a touchdown and Stark nearly dropped a goal from field. This was all the scoring, it being 18—0 at three-quarter time. Both sides resorted to a kicking game in the final quarter, when Riverdale showed improvement, but no scoring resulted. The winners lined up as follows:

Full, Chilcott; halves, Dickson, Stark, McDonald; quarter, Keely; scrimmage, Alexander, Ramage, Hopkins; wings, Webb, Laughlin, Wood, Buck, Tuck, McGann.
