Bassano, a town in Alberta, wants the world's championship fight between John and Flynn. At least they have asked for it, and the proposition at a \$50,000 guarantee has received serious consideration, according to a wire received by the Bassano Club from Jack Curley, manager of the big fight. He said: "If you can assure me that you can get the authorities to sanction the bout, your proposition sounds good, and I would give it serious consideration. If you like I will wire you terms upon which I will come to your city and look over the field. July 1 I would be O.K. I can set the date any day in July, and both men would be up there at least one month to train. Address Sherman Hotel, Chicago."

Canadians in Boston are calling for a real good team to take a trip to Boston and show the inhabitants of the Hub that the teams from this country can really play the game. Several Canadian teams have visited Boston this winter and all have met with defeat. The Canadian residents now want some one to come along and hand the Boston people a thrashing in their restore the prestige lost by the other sports.

Let's see. The Ottawas beat Canadiens at Montreal 4 to 3 and then lost at home 5 to 4. The Wanderers trim Quebec right in the shadow of the chateau Frontenac, and then lose at the Arena. Canadiens just reverse the score on the Wanderers in their second game. This "go" seems to be a little warped somehow.—Ottawa Journal.

Let's see. There's a name for that kind of stuff. A Toronto man who views some of these games says the teams are doing the best they can to work up a sale.

Why doesn't Jack Thoney throw with his left hand and come back as a baseball star? Broncho busting caught outfielder. The Speaker of the Reds to become a left-handed thrower. A right-handed thrower with his right hand. One day he batted a broncho known for the fielding delight he took in muzzling folks. This struck for a few minutes and then took a header. His right collarbone was broken. This practice throwing with his left arm and found it better for estimating purposes than his right. He has hurried with his port wine ever since.

Now it is said that Ed Delahanty was the real author of "his arm where they are," thus sobbing. He was the credit for one of the choicest epigrams of baseball.

When an Irishman goes to Germany and in three seasons earns nearly \$50,000 on the turf he certainly possesses ability out of the ordinary. That is what James McCormick, the Irishman who has been at Sheephead Bay, has accomplished. His 100 horses won \$10,000, in 1910 \$12,500, and last year he capped the climax of his endeavors to capture the German money by finishing second to Emperor William's leading winning stable with \$100,000 to his credit.

A cablegram from London says: Charles Kohler, the Yankee turf man, who recently purchased the stable and engaged Hildreth to train for him, has arrived in England and is looking for quarters at Newmarket, the chief centre of horse racing in this country. Mr. Kohler says that he intends to bring 15 horses to race in England. Messrs. John Marshall and Edward Hughes, representing the Charleston Fair and Racing Association, called at the office of the Jockey Club yesterday and requested that license be issued to the club. A quorum of the stewards could not be convened yesterday, and the application will be considered to-day.

M'GILL DEFEAT VARSITY IN INTERCOLLEGIATE GAME

Score Was Tie at Full Time and the Red and White Won Out in the Extra Period.

About one thousand spectators turned out to see the opening intercollegiate game at Ravina Rink last night and they were certainly handed a surprise when McGill defeated Varsity 12 to 10. The game was a tie at full time and was fast, but after the first half the Montrealers were the heavier team and showed much better condition, this winning them the game.

Fifth, the blue and white captain, under an operation for appendicitis last night and was an absentee. The McGill line-up was much the same as defeated Quebec.

Hankin, the big Stratford cover-point, was the most noticeable man on the ice, and his rushes were very effective, but lacked scoring ability, most of his shots landing outside the net. Mason at point played steadily and gave Warwick lots of protection. The McGill goaltender in the second half stopped every thing that came anywhere near him. Wilson at rover was one of the best men on the field and was also noticeable in the first half. The McGill line-up was much the same as defeated Quebec.

McGill got away to a good start, notching the first two goals in the first five minutes. Varsity grew alarmed and started to play hard, soon evening up. Then, instead of reserving their strength until later, they continued their attack and scored five in succession. At this point the McGill line was laid out and Hughes replaced him, after which Varsity tallied twice.

McGill played steadily, but seemed unable to hold the fast blue and white forwards. The pace set by the Toronto wings soon told and before half time McGill came to life and found the net. At half time it was 5 to 3 for Varsity.

In the second half Varsity, in the five minutes condition began to show. Varsity got the first two, but the Montreal boys showed their strength and began to pile up the goals one after the other, finally evening it up.

The second half started strong and in five minutes condition began to show. Varsity got the first two, but the Montreal boys showed their strength and began to pile up the goals one after the other, finally evening it up.

Argo Intermediates Trim Brampton. Argonaut intermediate hockey team showed a classy performance by defeating Brampton on the Weston rink by 5 to 4. This is the first time that the Argonauts have been defeated this year, and puts the Argonauts on top in their group. The small ice greatly handicapped the Argonauts' team, but they showed lots of combination. The Brampton team is a good aggregation and fought to the finish. The Argonauts had the half by 4 to 2, and lined up in this way:

Goal, Corbould; point, Stewart; cover, Patterson; rover, Asenor; centre, Kerr; right, Smith; left, Johnston. Referee—Andy Kyte.

Frontenacs Too Much For Varsity O.H.A. Team

Kingston Boys Had All the Better of the Play—Laird's Goal Keeping Kept Score Down.

KINGSTON, Jan. 19. — Varsity Senior O. H. A. team succumbed to the Senior Frontenacs here to-night by 7 to 4, in what could scarcely be termed a classy game. The Frontenacs bunched a great deal, while Varsity depended on individual work, thru which they lost. The fierce back-checking of the local team stopped the scoring, while their team work, which manifested itself at times, outlasted the visitors. Four times during the game at half-time the teams retired. Frontenacs opened the scoring, Crawford doing the trick on a half-time score 4 to 1. Varsity's goal, Varsity scored in a similar manner three minutes later. Jupp by the visitors, and Ayre the last two. Crawford figured in most of the scoring for Frontenacs.

Frontenacs, his checking the star for the visitors' rushes every time. Edwards in goal was steady and the teams were all hardy play at all. He did not have much to do, as the shooting was fifteen to one on the Varsity goal. Laird and Smith, for the visitors, certainly got away with some sensational play all thru the game. Only the spectacular play of Laird in goal saved the visitors from a humbling. Jupp, in centre, who has ever and has more weight than when here last. Smith's sensational rushes were the bright spots in the play, but the Frontenacs forwards, never failed to get him. Varsity are a hearty lot all around than the Frontenacs, and are all fast skaters, but they need more team work to expect to make much of a stir in Senior O. H. A. circles. It is claimed into the O. H. A. is years, and their own have the goods.

Frontenacs expect to run an excursion to Toronto on Jan. 31, the date of the return game, if the local team win from Argo here Wednesday night.

Frontenacs (7)—Goal, Edwards; point, Bishont; cover, Hyland; rover, Brose; centre, Crawford; wings, Boyer and Reid. Varsity (4)—Goal, Laird; point, Smith; cover, Chisholm; rover, Tilt; centre, Jupp; wings, Kern and Ayre. Referee—B. Noble Steacy.

Close at New Hamburg

NEW HAMBURG, Jan. 19. — In the interprovincial O.H.A. game here to-night between Wellesley and New Hamburg the score at the finish stood 3 to 2 in favor of New Hamburg. These teams were evenly matched, the previous game between them on Tuesday last at Wellesley stood 3 to 2 in favor of Wellesley. The line-up: Wellesley (3): Goal, Beaver; point, Stacie; centre, Kube; right, Utman; left, J. Staple. New Hamburg (3): Goal, Karges; point, Herkesater; cover, Rits; rover, Otto; centre, Bowman; right, Eruler; left, Ruhl. Referee, Fred Wagborne of Toronto.
