

MAYOR URGES ALL TO LEND IN BONDS

A Call to Arms That is Meant for Every Citizen.

HELP FOR A KNOCKOUT

Toronto Takes Million Dollars as a Sinking Fund Investment.

Victory in sight, and almost within grasp, calls for our mightiest efforts in the lines abroad and in the support at home. Sixty thousand of our gallant Toronto boys have answered nobly, and their heroic and effective deeds at this critical juncture are a wonderful inspiration to us, for whom they are sacrificing all, and from whom they expect much. Let us justify their faith in us by lending to our country, thru the Victory Loan just launched, the money that will make their efforts of avail, and assist in bringing the war to a speedy and triumphant conclusion.

Always have the citizens of Toronto responded generously, both directly, thru individual subscriptions, and indirectly, thru their municipal council, to every appeal, and we feel confident that they will again maintain their enviable record. Of last year's loan, \$78,000,000 was raised by 128,000 Toronto subscribers, or by practically one in every four of our population, a highly satisfactory result, but can we not this year have every third member of our citizen body participate in this, probably our last, certainly our greatest, Victory Loan?

The first subscriber will be the City of Toronto itself, for it has already applied for one million dollars of the fifteen-year bonds, as an investment for its sinking fund. This action has been taken in the confident belief that it will have the most hearty approval of every citizen, both because the loan will unquestionably hasten the end for which we are all longing and striving, and because it offers us a safe and remunerative investment for these or any other funds.

In September, 1914, just after the outbreak of war, Lord George said: "In my judgment the last few hundred millions may win the war. The first hundred millions our enemies can stand just as well as we can, but the last hundred millions they cannot stand."

This 1918 Victory Loan asks for some of these last hundred millions to which he referred, and it trusts that every man, woman and child in Toronto will have a share in raising them, and thus help to the utmost our brave boys "over there" as they give the "knockout blow."

LEAD ON TO VICTORY, THE WEALTH IS HERE

Message of G. H. Wood to Provincial Chairmen is One of Optimism.

G. H. Wood has addressed this letter to all the provincial chairmen. The preparatory work for the great campaign is completed. Your forces are ready for the attack. On Monday at nine o'clock the drive begins. Ontario's task is to raise two hundred and fifty million dollars. Our army of fifteen thousand, together with thousands of other auxiliary helpers constitute the strongest and most complete provincial-wide organization ever got together in this province. The farmers, manufacturers and all classes of our citizens have just been blessed with the most prosperous year in their history.

The wealth is here—our country's wealth is here—we are only asked to lend, but to lend to the utmost. The eyes of the empire are upon us. Our gallant boys in France and Flanders are awaiting the result. The Hun is also watching. With implicit trust in the unswerving loyalty of the people of Ontario and with unbounded confidence in your leadership and in the fighting spirit of the men of your committees and canvassing teams, we await the returns of the next three weeks. Ontario must not fail. The horizon is our objective. Lead on to Victory.

G.T.R. EMPLOYEES WILL ROLL UP NEW RECORD

The Grand Trunk men in Ontario are going "over the top" in valiant fashion in the big Victory Loan drive. The final details of the G. T. R. officers' and employees' organization to support the loan of 1918 were decided upon during the past week-end, when superintendents, superintendents of motive power, master car builders, and other heads of departments were called together in Toronto from various centres in the province, to discuss with general superintendent Bowker and other officials the plans for securing a maximum subscription to the loan from the railway's men. C. R. Moore and C. Manning, were present from Montreal, to outline the general plan that has been adopted over the whole system.

They stated that from one end of the line to the other, assurances were forthcoming of increased support for the loan. The Ontario lines of the Grand Trunk had always done splendidly in the patriotic campaigns, and the management of the road was looking forward to the establishment this fall of a new Victory Loan record by the G.T.R. men in Ontario. Every man in the service is to be canvassed, and the company has made arrangements whereby the Victory Loan payments may be spread over a period of ten months.

IMPERIAL OIL BUYS BIG SHARE OF BONDS

Hon. W. J. Hanna Announces Purchase of Three Million Dollars' Worth.

Before leaving for Sarnia last night, Hon. W. J. Hanna, president of the Imperial Oil Co., said that on the opening of the Victory Loan campaign today, the Imperial Oil Co. would apply for \$3,000,000 of bonds. He explained that the company subscribed for \$1,250,000 of last year's Victory Loan, and the larger amount this time was applied for on account of the greater need. The total amount will be distributed among the various branches of the company, in proportion to its business.

"It is gratifying, therefore," he remarked, "to be able to allot to Toronto the sum of \$1,000,000." Last year Toronto's share of the Victory Loan was \$200,000. The distribution is as follows: Halifax, \$75,000; Dartmouth, \$75,000; St. John, N. B., \$60,000; Montreal, \$150,000; Quebec, \$25,000; Sherbrooke, \$25,000; Medicine Hat, \$50,000; Hamilton, \$50,000; Ottawa, \$50,000; London, \$50,000; Sarnia, \$50,000; Ft. William, \$50,000; Winnipeg, \$100,000; Brandon, \$50,000; Portage la Prairie, \$50,000; Regina, \$200,000; Moose Jaw, \$50,000; Saskatoon, \$100,000; North Battleford, \$50,000; Calgary, \$100,000; Edmonton, \$100,000; Medicine Hat, \$50,000; Lethbridge, \$50,000; Vancouver, \$100,000; Victoria, \$50,000.

\$48,000 SUBSCRIBED IN THAMESVILLE

\$23,000 More Than the Objective Raised in 25 Minutes Today.

Sharp at 12:25 this morning a long distance telephone message was received by The World from Thamesville, stating that that village had raised \$48,000 for the Victory Loan between 12:00 and 12:30, and that the message was telephoned to Toronto. The Victory Loan committee "put one over" them, when they started out at midnight, their message headed by a Scotch piper and a trombone to wake the people up. The message didn't wait whether they were awakened by the piper or the trombone player. However, by 25 minutes after twelve the committee had \$48,000. The amount put down by the headquarters committee for Thamesville to raise was \$25,000. The village thus wins the first honor flag, with two crowns and \$23,000 more than the average contribution to the Victory Loan of \$40 for every man, woman and child in the village. And that's going some.

MOTOR CAR BANDITS ROB TWO MERCHANTS

Four Youths Hold Up Islington and Humber Bay Store-keepers.

Drawing up in front of the store of J. Howard Burton, Islington, in a high powered motor car, about nine o'clock Saturday evening, four young men between the ages of eighteen and twenty, held up Mr. Burton at the point of a revolver and robbed him of between \$50 and \$70 and made a clean getaway. So rapidly did the hold-up men work that fifteen men in the store next door knew nothing of the occurrence.

Later in the evening, W. Brooker, a Humber Bay storekeeper, was held up by four men in a motor car and robbed of \$50.

A report was made to the detective department and Detectives Archibald and Armstrong were assigned to the case. Several motor cars were held up by the officers, but the occupants were all able to explain their trips.

A report that the motor car passed thru the Parkdale district about sixty miles an hour was then received and the officers gave chase but lost their quarry on Spadina avenue, P.E.I.
