Baseball, Notes.

Baseball Notes. Toronto on top again. Applegate's pitching was a rare treat. He had speed to burn and was working the corners all the time. O'Brien, who replaced Flood at second, was very weak. His wing is very poor. Umpire Owens made a hit with the crowd. In the second, when Dunn stole second, Demanitt raised his bat, interfering with Woods in the throw. Woods called Owen's attention to it. Applegate was a trifle wild at times and had Bob Woods dancing around like a three-year-old. Skeeters Shut Out at Buffalo. BUFFALO, May 20.—In weather that made the players put on extra clothing, Kissinger came very near getting a no hit game, only a bunt by Halligan spoiling his record. The score: Buffalo— A.B. R. H. Toronto and Baltimore will again clash Toronto and Baltimore will again clash this afternoon at Dlamond Park and the chances are that Hesterfer, the southpaw, will be put in to pitch for the locals. Sam is in first-class shape and as the Orioles have a number of left-handers on their lineup, it looks like good policy to use him, tho it is McGinley's turn on the rubber. The latter is rounding into form and is showing all his old-time speed and effec-tiveness at the morning practices. He will

Murphy has a heavy, fast team, and when they get playing together for awhile it will take a good combination to beat them. North Bay are reported to have a fast lacrosse team this year, with Sandy Sinclair of Bradford the back-

All players are requested to be on hand in good time to prepare for a game with Delawares on Friday morning, after which a meeting will be held in Rangers' clubroom to discuss important business concerning their club.

Altho the Maitlands have lost Warwick and Green, who have already made good with Senior Torontos, President Hocking promises the Beaver-ton checkers a good argument in their game on the 24th.

The trouble the city teams have had in securing grounds is now spreading to the suburbs, and those on the out-skirts are now having their share.
