A torchlight procession marched to the depot and on arrival of the train formed up with the fine hand from Wingham leading, followed by carriages containing the town council, clubs, etc. Reeve Leckle gave a short but pleasing address, congratulating the team on their splendid success. This has been a strenuous season in the battle for the Western Football Association, Brussels, winning in every instance. The list of victories is: Atwood 4 to 0, Listowel 2 to 1 and a default, Clinton 4 to 1, Walkerton 4 to 0. Atwood 4 to 0, Listowel 2 to 1 and a default, Clinton 4 to 1, Walkerton 4 to 0, Plattsville 3 to 1. The Toronto Scots, Gueiph Scots and Rovers and Stratford Seniors fell before cur lads in exhibition games. Championships are no new honors to Brussels, as they now hold the Intermediate W.F.A. Cup for the third time. They also held the junior cup one year and now land the highest honor.

The contest for team honors was solely between the Irish-American Athletic Club and the New York Athletic Club. The and the New York Athletic Club. The final point was: Irish-American Athletic Club 87, New York A.C. 48.

The big event of the day was looked for when the 16-pound hammer throwing contest began, but the slippery condition of the field gave the competitors insecure footholds. The long-looked for duel between John J. Flanagan of the Irish-American A.C., and Matt McGrath of the New York A.C., did not come up to expectations. McGrath threw the hammer 168 feet 4½ inches, beating Flanagan, holder of the world's frecord—172 feet 10 linehes—who only sent the missile 144 feet 8 inches.

Small Crowds Watch Lacrosse At the Island and at Montreal

Exhibition Game Uninteresting---Torontos Play in Rain --- News and Gossip of Teams and Players

With all the good championship lacrosse Toronto has experienced this season, there seemed little need to bring Montreal to the island on Saturday. Thus the public looked at it, and the crowd was small, but large enough for the quality of lacrosse. Tecumsehs, playing several substitutes, won by 17 to 4.

It was a great day for web feet Saturday, when the Shamrocks and Torontos met at the Mile End grounds in Montreal in a scheduled game, and the Shamrocks piled up a score of 14 against the Torontos' lone taily. The rain came in torrents early in the afternoon, and the field was in a terrible state. There was a regular lake in front of either net, while in places the players had to chase the sphere thru pools of water. It was only the most enthusiastic lacrosse fans who ventured out as far away from the shelter of their houses as the Shamrock grounds, and consequently the gate was a very small one. The grand stand contained about 1200 people huddled together trying to keep out of the way of the drops that came thru the roof.

boys sat in the uncovered portion of the stand, drenched to the skin. The game was very late in starting. In the first place, the Toronto team succeeded in was very late in starting. In the first place, the Toronto team succeeded in misplacing their uniforms and sticks. They were put on the train all right, but some enterprising person switched them off to Ottawa on the way down. The Shamrocks sent down and borrowed the National outfits for them, but finding a man small enough to fit into Gauthier's uniform was quite a problem. Delay was also caused by lack of officials, Joe Lally and Pollock, who had been chosen, not turning up. Finally Dess Brown and Cattarinich were induced to undertake the unpleasant duty of slipping about after the players in the rain. They did not have much else to do, as the play was clean and penalties were few.

The Torontes were not in it for a min. The Torontes were not in it for a min.

The Torontos were not in it for a minute with the Irishmen, who piled up a big score. Roberts and Munday were the chief actors. Jimmie Murphy's men could not get the ball in close, and Tierney had practically nothing to do. It was different with Skelding, the Toronto goalkeeper, however. He was on the hop all afternoon, the shots being rained in at him thick and fast. He did splendid work, in spite of the large score against him, some of his stops being little short of marvelous. There were plenty of funny incidents in the game, the players doing some involuntary stunts on the slippery field.

Secondard the C.L.A. has ordered the two teams to Woodbridge for Saturday, Aug, 31. The delay has been caused by the Shamrocks making a proposition to play at Rosedale Aug. 24, which was agreeable to the Maitlands and all arrangements were being completed, when the proposition was withdrawn. "As far as the Maitlands are concerned," said their manager. "sooner than werry over a proposition that cannot be fulfilled we are preparing to carry out the C.L.A. president's orders."
