KNIGHTHOOD FOR ALD. WARD.

Technical School Board Evolves a Plan to Glorify Its Chairman.

Mayor Howland will not be the only city official with claims to knighthood when the Duke comes to Toronto, if the plans of the Technical School Board mature. The board held a special meeting last night, when at the instigation of their chairman, Ald. Ward, they determined to extend, thru the proper channel, an invitation to the Duke and Duchess of York to visit the school during their stay in Toronto.

Trustee Allan expressed his firm conviction that, in the event of the Duke's acceptance, Ald. Ward would of a certainty be knighted.

It Sounds All Right.

"Arise Sir John Ward," cried one enthusiastic trustee, whereat the aldermanic features were suffused in a blush of modesty.

Since the Technical School is on the proposed route of the royal procession thru the city, the Property Committee was instructed to appropriate funds for the decoration of the same.

J. L. Claxton was appointed by the City Council to take the place of Mr. Malone on the board, representing the Federated Council of Building Trades, the latter gentleman having left the city.

All the teachers whose names were published in Wednesday's World were engaged by the board for the next year. Miss Beatrice Milligan's salary was increased to $200.

Trustee Moseley was appointed to fill the vacancy on the Management Committee, and Trustee Claxton to the Property Committee.

Miss E. K. Westmacott, teacher of industrial design at the school last year, has written to the board, asking why she was not re-engaged this year. The communication was referred to the Management Committee.

A NARROW ESCAPE.

Niagara Falls, Aug. 2.—The railway crossing at the corner of Erie-avenue and Queen-street came near being the scene of a horrible fatality at 10 o'clock this morning.

Pan-American special No. 92, due here at 10 o'clock, was just coming round the curve when Wendell, the 5-year-old son of Dr. J. G. and Mrs. Musgrove, ran out on the street crossing from Morphy's corner towards the Market Hotel, immediately in front of the engine, which had Engineer J. Morrison and Fireman Matthews in charge.

The engineer immediately applied the emergency brake, and so sudden was the train brought to a standstill that the passengers were thrown forward in their seats. Had it not been for the prompt action of Engineer Morrison and the heroic attempt at rescue of Flagman Scott, Dr. and Mrs. Musgrove would have now been mourning the loss of their little son, and another terrible fatality would have been charged up to Niagara Falls.

The engine was not more than two feet from the little fellow when it came to a stop.

Phinney's Band will give two concerts at the Island on Sunday afternoon and evening.

HAMILTON NEWS

LABOR DAY CELEBRATION

Hamilton Wage Earners Invited to Join in Holiday Festivities at Merritton.

JOHN CAMPBELL WAS ACQUITTED

Accused of Selling Liquor to a Minor —A.O.F. Convention—"McWherrell's Widow" Discharged.

Hamilton, Aug. 2.—(Special.)—The Trades and Labor Council this evening considered a communication from the Wage Earners' Assembly of Merritton, asking the Hamilton labor men to assist the assembly in suitably celebrating Labor Day in that place. The matter was discussed and laid over till the next meeting for a final decision.

Police Points.

This morning at the Police Court John Campbell, a King-street hotel keeper, was acquitted of a charge of selling liquor to a minor. Hugh Brown, a young man of unsavory reputation, made a tool of the police, who laid the charge. The evidence showed that the boy in question was sent for beer by his parents, who gave a written order for the same. The magistrate mildly rebuked the police for pressing the charge, after learning the circumstances. James Haverson, Toronto, was counsel for Campbell.

Gertrude Truman, alias McWherrell's widow, was tried on a charge of assaulting Mrs. Mary Allan. She was discharged, but was warned to mend her ways.

A.O.F. Convention.

The last of the big conventions of the summer to be held in this city will be that of the High Court of the Ancient Order of Foresters, to be held in Association Hall on Tuesday, Aug. 27, and following days. The representatives of the local lodges are now getting ready to entertain the two or three hundred delegates. Last night they met and mapped out a general plan, and sub-committees were appointed to work out the details.

HAMILTON DAY AT THE PAN.

The 13th Band Will Be There With Prominent City Officials.

Buffalo, Aug. 2.—Arrangements have been completed for the celebration of Hamilton (Ont.) Day at the Pan-American Exposition. The date is Aug. 21. Mayor Hendrie and the various city officials will be present, accompanied by the famous 13th Regt. ment Band. Special exercises will be held in the Temple of Music and open house will be kept in the Canadian Building. Ald. Walker, honorary commissioner from Canada, is now in Buffalo, completing preliminary arrangements.

Saturday is Midway Day, and there will be some brilliant spectacles. The day's gaiety will begin with a parade of all nations, made up from the Midway attractions, followed by a Venetian carnival and water sports. A boat race will take place between the representatives of the various nations, the Indian, Esquimaux, Filipino and Hawaiian, each in his native canoe. There will also be a high dive from the electric tower into the basin. In the afternoon the concessionaires will give a free circus in the Stadium, and in the evening there will be a grand ballet on a glass platform in the Court of Fountains.

LI HUNG CHANG TAKEN ILL

London Times Hears That He is Dying and Pekin Tells Another Tale.

CALLED IN A FOREIGN DOCTOR

Malady is a Recurrence of an Old Trouble That Has Bothered Him for a Year.

London, Aug. 2.—The despatches from Pekin of The London Times and other newspapers, under yesterday's date, refer to Li Hung Chang as conferring with ministers, and do not mention his illness. Presumably, they are better informed than the Shanghai correspondent of The London Globe, who to-day reports Li Hung Chang to be dying.

CONSULTS A FOREIGNER.

Pekin, Aug. 2.—Li Hung Chang, who was taken with a sudden indisposition, has called in a foreign doctor to consult with his personal medical adviser. The malady proved to be a temporary attack, such as he has frequently suffered from during the last 12 months. To-day he seemed to be recovered.

EVACUATION DAY.

London, Aug. 2.—The Under Secretary of the Foreign Office, Lord Cranborne, in the House of Commons to-day announced that the official date fixed for the evacuation of Pekin by the allied troops was Aug. 15, subject to a few days' extension if necessary. The evacuation of the other portions of China will depend on circumstances.

NAN NING A TREATY PORT.

Hong Kong, Aug. 2.—The Commissioner of Customs has left Wu Chau for Nan Ning, Province of Quang See, to open the latter as a treaty port. The British warships Glory, Eclipse and Daphne arrived unexpectedly to-day at Amoy. All is quiet there.

SIGNING OF PROTOCOL.

Pekin, Aug. 2.—The Protocol Committee of the Ministers of the Powers have virtually finished the draft of the protocol and will submit the same for approval to the other ministers. All questions of principle have been settled, and the protocol will be signed in the course of a few days, unless there should be some disagreement as to the phraseology resembling the discussion that arose over the word "irrevocable" in the early stages of the negotiations. Should such a hitch occur the signing may be indefinitely delayed.

ON GEORGIAN BAY.

The guests of Hotel Delphi, Camperdown, on the Georgian Bay, gave a most enjoyable dance to their friends on Tuesday evening last. Delphi is a charming spot for an affair of this kind, and the place looked particularly beautiful under the rays of a full moon, which made it almost as bright as daylight. Shortly after nine some hundred young people assembled and tripped the light fantastic until the early morning hours. The patronesses were Mrs. Millard Roberts, Philadelphia; Mrs. Evans, Collingwood; Mrs. Hartman, Clarksburg, and Mrs. McFaul, Collingwood. Shortly after midnight light refreshments were served, and dancing recommenced and continued another hour and a half, when the carriages were called and all dispersed pronouncing the evening to have been a social success.

FIFTY TIMES THE PRICE

Montreal Hotelkeeper's Idea of the Value of Dodd's Dyspepsia Tablets.

The monetary price of a good thing does not by any means express its worth. If an article is of genuine use to a man or woman he wouldn't take many times its actual cost and be without it.

Such was, no doubt, the idea of Mr. William Bogie, the well-known proprietor of the popular Waverley House, Victoria-square, Montreal, when he said Dodd's Dyspepsia Tablets were worth fifty times the price asked.

Dodd's Dyspepsia Tablets are sold at fifty cents a box. At Mr. Bogie's valuation this would bring the price up to twenty-five dollars a box. Is this high? Does twenty-five dollars sound much? How many a man would sacrifice his whole fortune to egt back a good sound digestion!

Twenty-five dollars is not an uncommon price to pay in doctor's bills in the effort to cure Dyspepsia. It is an unnecessary price, because Dodd's Dyspepsia Tablets are sold at fifty cents a box and are the finest treatment for Dyspepsia on earth. But there is no doubt about it that a man on being cured of Dyspepsia by a box of Dodd's Dyspepsia Tablets has got a full twenty-five dollars' worth for his fifty cents.

Mr. Bogie of the Waverley House thinks so. One box of Dodd's Dyspepsia Tablets cured him. He acknowledges that the service was worth fifty times what he paid for it.

"I have been troubled with Dyspepsia for many years and could get nothing to help me until I tried Dodd's Dyspepsia Tablets. One box sufficed to cure me. I consider Dodd's Dyspepsia Tablets worth fifty times the price asked."

APPROVE LAKE SHORE LINE

G.T.R. Chief Engineer Fears Expense for Right of Way Would Now Interfere.

SHOULD HAVE BEEN INITIAL ROUTE

An Experienced Engineer Thinks the Company Would Save Money By a Change.

Montreal, Aug. 2.—(Special.)—A call today at the head office of the Grand Trunk revealed the fact that the Scarboro grades were not causing the management to sit up nights. The general manager would not make a statement, except to say that all such defects were receiving the attention of the company. Chief Engineer Hobson, however, went further, saying that he had already given the case a good deal of attention from an engineer's point of view. He said that the change could have been made years ago without much expense, but he presumed that the most serious difficulty to-day would be the heavy cost for right of way, as the road could not be built on the beach.

APPROVE THE SCHEME.

Regarding The World's proposal of a level lake shore line for the G.T.R., to take the place of the Scarboro grade of that railway, Mr. Frank L. Somerville, resident engineer, has expressed his hearty approval of the proposition. He fears, however, that the traffic is not yet sufficient to warrant the expenditure that such an alteration would entail. Besides the cost of constructing the new line, which Mr. Somerville placed at about $1,000,000, there would, he said, be the waste of another million dollars, which had been expended on the old line. The whole of the road from Scarboro to Port Union, as well as the York yards and engine house, would have to be abandoned, and would be so much capital gone to utter waste.

Should Have Been Shore Line.

Mr. Somerville blamed the short-sightedness of the original engineers for not constructing the line along the lake in the first place. Such a road, besides being safer, would have been far cheaper, since it would have done away with the expense of the extra engine, which is now required to push every train up the Scarboro grade.

Constructing railroad lines, said Mr. Somerville, was purely a matter of dollars and cents. As soon as the traffic looked large enough to yield the interest on the sum required to build the road along the lake, he believed the company would set to work to construct it.

Would Save Money to Company.

In connection with this question, The World met an engineer of wide experience, who said he did not care to discuss the subject publicly, but it was his opinion that this stretch of the Grand Trunk could be built as a lake shore road clear to Port Union at a comparatively reasonable cost, and that it would save money ultimately to the company. Such a track could be used for the passenger service and for local freight coming to and going from the city.

Some day he hoped to see the G.T.R. and C.P.R. join forces in taking hold of the C.P.R. track from Toronto Junction, which crosses Yonge-street where it now does, near the north city limits, and use it for both companies, for purposes of thru freight, and keeping it away from the front of the city altogether. This line at North Toronto is 150 feet above the level of the bay, and could be used to accommodate all thru freight that now goes up and down the grade when it comes along the Esplanade. A connection could be made with the G.T.R. at some place east of Toronto on a level with the grade of the C.P.R. at Leaside Junction.

When asked whether a line along the Scarboro Bluffs would be objectionable to cottagers, he said it could, perhaps, be made a very attractive summer feature, as the work proposed would mean a breakwater 10 or 12 miles long, which could have a beach on the outside.

Where the Old Boys Will Go.

Civic Holiday will be a great day for the Old Boys' Associations. Accompanied by the "old girls," they will visit the scenes of their childhood, and spend a few hours under the parental roof.

The London Old Boys' Association visit their native town. For their convenience a special Grand Trunk train will leave the Union Station at 2.10 p.m. to-day, and there will also be special trains for them on Monday.

The Durham County Old Boys go to Bowmanville. They will leave in a special Grand Trunk train at 9.15 on the holiday morning. They will be accompanied by the bands of the Governor-General's Body Guards and the Toronto Naval Brigade.

The Old Boys of Ontario County go to Whitby with the Sons of Scotland. They will leave in a special G.T.R. train at 8.30 Monday morning, and will be accompanied by the 48th Highlanders' Pipers.

The Cobourg Old Boys visit Cobourg. They leave here on a special G.T.R. train at 7.30 a.m.

To Orangeville the Dufferin County Old Boys go, leaving on a special C.P.R. train at 9 a.m.

Goes on the Beat.

Official announcement was made last night in police circles that David Findlay, one of the operators at the Court-street Station, owing to ill-health, had been compelled to relinquish his position, and to-day would take street duty in No. 6 division. Mr. Findlay, who has been taking the calls for the past four years, is very popular, and his temporary retirement from the position of operator will be learned of with regret by his comrades. He will be succeeded by Policeman Jackson Walker of the Cowan-avenue Station.

AT THE SUMMER RESORTS.

Guests at "Bide-a-Wee" Lawn Fete, Long Branch, Enjoy Themselves Immensely.

HOPS AT KEW AND BALMY BEACHES

Two Hundred Persons Present at Weekly Dance of the I.A.A. Association.

"Bide-a-wee," the pretty residence of Mr. and Mrs. F. B. Allan at Long Branch was artistically decorated Thursday evening, on the occasion of the lawn fete given in aid of the new auditorium. Green and red lights and Japanese lanterns shed their softened rays upon a gay assemblage of cottagers, and there were also many visitors from a distance, who took part in the enchantment, and listened with pleasure to the recherche program provided. Rev. Norman Reed acted in the capacity of chairman, and a city orchestra enlivened proceedings at intervals during the evening. Mr. Baker sang, with precision and gusto, that popular song, "Soldiers in the Park." Mr. W. S. Jones, organist of Wall-street Methodist Church, sang "Good Company," and for an encore, "O, Promise Me," from DeKoven's "Robin Hood," with expression and tenderness. Mrs. Radford and Mr. J. C. Baker, always popular with Long Branch audiences, sang the duet, "Life's Dream Is O'er," which was well received. Miss Thompson, an elocutionist, with captivating expression and great clearness, gave "The Smallpox Scare." In response to a well-deserved encore, she gave "Counting the Eggs." After the program, music by the orchestra was again enjoyed, and many a quiet tete-a-tete took place in the little nooks that made the grounds so pretty.

Among the visitors in attendance were noticed: Mr. and Mrs. Gregg, Mr. Arthur Somerville, Mr. Bert Harvey, Mr. and Mrs. J. J. Kelso, Dr. Broughton, Miss Butt, Miss Cassidy, Mrs. Cassidy, Mr. and Mrs. Broughton, Mr. and Mrs. Vokes, Mr. and Mrs. Humble, Mr. and the Misses Brand, Mr. and Mrs. Jackson, the Misses Follett, Rev. BALMY BEACH.

The residence of Mr. McFarren presented a betutiful appearance last night, on the occasion of the regular weekly hop of the Recreative Association. The attendance was not as large as on previous occasions, owing to the rain. However, the dance was most successful. Among the guests were: Mr. and Mrs. J. J. Heppler, Miss Long, the Misses Crone, Mrs. Dr. Wallace, Mrs. T. Gibson, Mrs. Carr, Miss Williams, Mr. and Mrs. A. Bollard, Miss Bollard, Mr. and Mrs. J. H. W. Mackie, Mr. and Mrs. F. X. The sailing boat of Stanley Banks was damaged yesterday, but it is expected that it will be repaired in time for to-day's races.

It has been decided to hold a legal enquiry, to find out the position of the trustees in regard to park matters. Mr. E. Douglas Armour, K.C., will be consulted, and the residents will have the matter defined by Act of Parliament.

On Thursday afternoon the Misses Garrie held a children's bazaar, at "Glen Garrie," in aid of the Toronto Fresh Air Fund. The affair was most successful, and, as a result, the fund will be increased by over $10.

Mrs. Everett Mullett of Buffalo is the guest of Miss Mabel Crone.

THE ISLAND.

The fifth of the weekly hops of the Island Amateur Aquatic Association was held last night in the club house, Centre Island, and proved a most successful event. Impurities in the Blood.—When the action of the kidneys becomes impaired, impurities in the blood are almost sure to follow, and general derangement of the system ensues. Parmelee's Vegetable Pills will regulate the kidneys, so that they will maintain healthy action and prevent the complications which certainly come when there is derangement of these delicate organs. As a restorative these Pills are in the first rank.
