When Ed. Geers won the Chamber of Commerce stake last week with Ardelle, reducing the record for the event to 2:05%, he established a record such as no other driver has ever held in relation to any one of the big fixtures of the harness turf, for it was the third consecutive time he had won the pacing classic and the fourth time he had won it in five years. In 1902 Mr. Greers won the big pacing stake reducing the record for the event to 2:06%.

The next season the record was not reduced, John Hussey winning the event with Elastic Pointer. In 1904, Mr. Geers won the event with Baron Grattan, reducing the record in 2:061/4. In 1905 the Tennessee trainer again triumphed, winning with Walter Direct, a son of Direct Hal, his 1902 winner and the record was dropped to 2:05%. Last week with Ardelle Mr. Greers led B. A remarkable game of lawn bowls was played recently on the R. C. Y. C. nawn. Mr. Hugh Leach and Mr. Geo. Sears were the skips, and on Mr. Leach's rink were Mr. H. P. Dwight, president of the G. N. W. Telegraph Company, and Mr. W. S. Stout, president of the Dominion Express Company. On Mr. Sear's rink were Prof. Goldwin Smith, and Thos. G. McConkey,

Inspector of the North American Life. Considerable has been heard lately regarding the ages of some members

of the British team now visiting the city, and the remarkable feats of the veterans have been chronicled far and wide, but in the game at the R. C. Y. C. lawn three of the local players engaged, when placed beside the venerable visitors, would make them look like in fants, the combined age of the two being 234 years. The game was a most interesting, lively and exciting one, and was closely contested throughout, the three oldest members displaying a vigor and enthusiasm that was simply marvelous at their stage in life.

The contest was won by Mr. Leach's rink, but Mr. Sears is not satisfied with the outcome, and has demanded a return game. In the meantime he is practicing hard, and thinks he will score an easy victory at the second meet-
