## NOTE AND COMMENT

The last of the gallery games on the green was bowled yesterday at the Granite, when the reliable Thistle rink, skippered by Mel Morrison, opposed the Kennies, the home team coming from the east and coming to the Queen City defeat, after twenty-two ends, 12 to 20. They beat the Carr-Hewes, skippered by George Orr, the day before by 21 to 7, and yesterday concluded to close out for the year. Score:

Granite—Carr-Hewes—W. A. Carman, D. McKenzie, C. O. Knowles, D. S. Baird, John Rennie, D. G. Baillie, J. J. Rennie, skip—22 M. F. Morrison, a. 5. Twenty-two games the Kennies have only lost twice—to Frank Anderson of Queen City and Harry Allen of the Granite—and thus the single rink championship of the year must belong to Tom Rennie if Harry Allen cannot make his claim good.

Now comes the aftermath of the base-line year, in which this city figured as considerable of a nonentity. The Eastern League directors met in New York last Monday, and the league the next day to make the final decision as to the champion to Baltimore. Director Burger has given his consent to have President McCaffery represent Toronto at the meeting. About next year nothing except that we are going to land the championship. McCaffery is slated for the presidency, as Mr. Burger is not likely to contest the office. No manager in sight yet, but Jimmy Casey and Charlie Carr have both been favorably mentioned.

Over in New York State the prospect of defeat of Governor Hughes would seem to brighten up the racing situation. Rod McGowan, the bookmaker of Buffalo, was a spectator at Little Gutterburg yesterday, and is satisfied that Chandler will win, but, he brings the information that the latter will follow in the footsteps of the original enemy of the horses and keep on the job.

The New York Sun has been reliably informed that regardless of the result of the coming state election, the court of appeals will be asked to pass upon several parts of the Agnew-Hart law. Lawyers who are in the employ of the tracks have declared recently that there is excellent ground for the belief that the law is unconstitutional for several reasons.

The beginning of the end of racing in the east was the opening of the fall meeting of four days at the Empire City track yesterday, after which there will be five days at Jamaica, the season ending on election day, Nov. 4. Three stakes to be run at Yonkers, and there will be a general exodus. The Pimlico meeting Oct. 24 to Nov. 7 will attract many owners and in California, but the usual meeting at Benning has been declared off.

It has often been asserted that boxers after getting past a certain stage can only obtain a precarious livelihood. But there is still a field open to them. Judging by the following advertisement "Wanted—A Barren, single, about 17; must be tall and strong and able to take his own part; boxing man preferred; reference required; good home; liberal wages to competent person—none other need apply."

What undoubtedly is the world's seven-hectar record over a half-mile track was established at the recent Hutchinson credit of Pay Girl, Prodigal, 2:16.
