### Get Back Strength and Vigor.

Good News From Larder Lake. Information comes from Larder Lake of a great strike of gold on the Reddick Mine that machinery is to be installed without delay on another property ad-jacent to the Reddick. that the Harris-Maxwell is making a thirty-day test run with day and night staff, and that the rournele has a large staff mining on its claims with a view to establish-ing a plant at an early diate, so that the gold camp at Lar-der Lake may soon attract the public at-tention that it deserves, as some experts from the United States, and also from Great Britain, have expressed themselves very strongly in favor of the camp owing to the rock formation being capable of the precious metal at \$2 per ton and to pay a handsome profit where the or car-ried \$6 to the ton, while the assays in Ferrozone is a remedy that acts di-

supplies. One contrast the production of as willing to undertake the production of the precious metal at \$2 per ton and to pay a handsome profit where the ore car-ried \$6 to the ton, while the assays in most cases of any of the claims referred to far exceed \$6. In these costumes for photographic re-production, which are widely circulated in a syndicate form and eagerly copied. In Chicago, as well as in New York, all such ailments and prevents their seture.

Don't listen to the druggist who

\$16g

in his well-remembered production of "Beau Brummel." In assuming this delightful character, Mr. Mansfield wore a peculiarly bell-shaped "sixer," that was immediately adopted by the "400" of New York, and was made the fashionable style of headgear of that masculine contingent for over four years, and even now may be seen at some few select social functions. George M. Cohan is responsible for a soft hat that has been named after him. It is a low-crowned telescope "ild" with a fairly narrow brim, which, to be in the true Cohan atmosphere, is litted up at the back and pulled down in his well-remembered production of "Beau Brummel." In assuming this

There is every ingredient of gayety and melody mixed in the gigantic pro-duction of the "Girls From Happy-land," next week's attraction at the Gayatr Billy W. Watson, the uproarto be in the true conan atmosphere, is tilted up at the back and pulled down in front. The peculiarity of this par-ticular headplece is still potent, tho the fashion is now three years old. in front. The peculiarity of this par-ticular headpiece is still potent, tho the fashion is now three years old. Then there is the directoire or sheath gown that one hears so much about these times, and which can be seen in almost every American stage pro-duction enlisting the services of girls. It is not a new idea at all, but a re-vival of a fashion that existed in

At Shea's Theatre next week; the newest, biggest and best of all elabo-rate girl acts will be seen in Joseph Hart's latest success, "The Bathing Girls," Other acts included in the big bill are Robert Henry Hodge and Co., He-lena Fredericks, Stanley and Russell, Franco Piper, Quinn and Mitchell, Wills and Hassan and the kinetograph. vival of a fashion that existed in France more than fifty years ago, and was introduced in America something like fifteen years ago by Frank Dannething

Beaten to Death.

like fifteen years ago by Frank Dan-iels, when that well-known comedian made his big and final production, "Little Puck," prior to entering the field of comic opera. It came about this way: Mr. Daniels during the sea-son of 1892-3 to make a final farewell tour with this dramatization of An-tsey's famous novel of "Vise Versa," engaged what at that time was thought to be a tremendously big company. PHILLIPSBURG, N.J., Nov. 11.-Clarence Leid, a foreman on the Delaware, Lackawanna and Western Rall-rcad cut off, was murdered last night. engaged what at that time was thought to be a tremendously big company, numbering twesty-two people in all. Among the members of his chorus there were four particularly tall and attractive girls, and Miss Bessie San-son, at that time Mr. Daniels' princi-pal soubrette, but who afterwards be-came the wife of this well-known play-er suggested that he put these ladies

came the wife of this well-known play-er, suggested that he put these ladies in the directoire costumes; the idea coming from an old fashion plate which Miss Sanson had originally brought from England with her. This thought was carried out and the sheath gown number in "Little Puck" became an immediate and positive, not to say tre-mendous sensation Making New Town. VANCOUVER, B. C., Nov. 11.--(Spevancouver, B. C., Nov. II.--(spe-cial.)--Rapid progress is being made in the completion of the survey of the townsite of Prince Rupert. One hun-dred and twenty men are now at work staking lots and with continued fine weather it is expected that they, will finish on the main townsite by the end of December. The proposed survival mendous, sensation. The art of millinery relies upon the people of the stage for its creations. In fact 90 per cent. of the bonnet deof December. The proposed auction sale of lots will occur on May 1.

Accidentally Killed. OTTAWA, Nov. 11.—(Special.)"Jos. Lepine, aged 40, foreman for the E. B. Eddy Lumber Co., accidentally shot himself last Friday near his camp, about 80 miles above Des Joachims. His body was brought to Ottawa to-day. day.
