AT THE THEATRES

said that it requires dauntless courage, patience and perseverance on the part of an actor, in addition to histrionic ability, to win distinction as an interis, with eloquent voice, poetic compre- all last season in New York and Chihension and charm of personal appear- | cago. ance, the road to success for him is paved with many obstacles before he achieves his aim and position. The reason is readily apparent. In his portrayal of the great roles of Shakespeare's dramas, the is always the cenpeare's dramas, the is always the centre of c. itical observation. He has not Willer 'n "Something Doing," Bristow, the advantage of the player in ordin- the famous Russian equilibrist; Clemary dramas, who is apt to escape much ens personal criticism in the novelty and interest of the new play in which he appears. But the stories of the Shakespearean dramas are generally well-known, and while the auditor finds new delights in the majesty of the verse and the stupendous movement of the action, yet, the leading actor himself is made the subject of comparison with all the greatest interpreters who ever played the same role, and he is hedg-

ed about by a world of tradition. Robert Mantell comes up to this standard, and is entitled to the playgoing public's tribute. Contemplation of his portravals of the great characters which he assumes indicates prodi-gious study and labor for years. He ways, and now has come into his own at a time which gives him a unique distinction, that of being the only tragedian on the English-speaking stage ly to the class'e tragedies of Shakespopular favor and interest that he is clowns; Fischer and Burkhardt in a

Star Theatre.

ere yesterday and will appear at the to open the Star Theatre all this week. Matt Kennedy, who is well-known in Toronto, is one of the best comedians in the business. His work in "The Hood-lum's Holiday," and the "Queen of the Harem," together with the catchy music and melody provides two and a half hours of laughter. The company comes well recommended, and should be well received here. The music is all new and of a nature that at once becomes popular. It is whistled and hummed in every city in which the company has appeared.

"The Big Review." "The Big Review," F. W. Stair's own show, one of the largest burlesque organizations on the road, comes to the Star Theatre next week, bringing Clem Bevins, the comedian, and a number of other Toronto people, who have some special hits of a local nature. The scenery is of a most elaborte charac-

"Queen of the Jardin de Paris." Parisian players have long held that Americans could not be educated to accept pantomime as art in acting. However, the influx of the Yattourists to the French captical changed this considerable, and to-day pantomine is accepted in every theatri-
